The Main Event

Guest Speaker Molly Demeulenaere, Cultural Center of Cape Cod – Molly moved here 3 years ago from Sarasota, FL. She love the arts and museums. She is the Managing Director of the Cultural Center of Cape Cod. “All the arts for all of us” is the slogan of the cultural center. Molly stated, “From cradle to grave, there is something for everyone.” Their mission is to serve the entire Cape community and visitors to the area by offering instruction, entertainment, and exhibition in the visual, literary, and performing arts. Programming at the Center reflects real needs and priorities which embody the diversity of the opportunities offered throughout a campus that boasts 5 galleries, 5 resident artist studios, a performance hall, a gift shop, and an Education Wing that features a Culinary Arts Center, Recording Studio, Pottery Studio, Makerspace, Digital Arts Studio, and other assets, especially for under-served populations.

Currently on display is “Pushing the Edge”, an exhibition by We4 artists Rebecca Fellows, Anne Morse, Susan Overstreet, and Sally Vince. Each artist has a different style and medium; they come together to pursue a single direction: “pushing the edge.”

They also have online galleries for artists through international calls for submissions and juried exhibits throughout the year. In keeping with our mission, our online competitions support artists while complementing and extending our galleries on Cape Cod.

They also facilitate complex Lego building and more! Molly is a Lego Play Facilitator. The LEGO® SERIOUS PLAY® method (LSP) is a facilitated thinking, communication and problem-solving technique for use with organizations, teams and individuals. It draws on extensive research from the fields of business, organizational development, psychology and learning, and is based on the concept of “hand knowledge.”

For more information, visit <https://www.cultural-center.org/> or email Molly at mollyd@cultural-center.org.

Golf Tournament Net Results – We were able to net out \$28,400 towards scholarships! We had over 50% participation from the club. The software to track registrations and contact information was vitally important and helped us manage the tournament overall. We are in competition for donations with other organizations, so it is important for us to be able to maintain contact and communicate in advance with golfers.

COVID & CORKS—Wine cork recycling benefits our earth’s sustainability. The Rotary Club of Yarmouth has over the last 18 months collected 14 pounds of corks which are sent to be recycled and then upcycled. Funded by the Widget Company, Cork Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our oceans, prevent deforestations and teach better ways to live in harmony with our environment. To date Cork Club has donated \$121,800 to these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Jill Albright who will then ship them to Cork Club.

“Friendship was the foundation rock on which Rotary was built and tolerance is the element which holds it together”

Christmas Party – Bill Lemoine let the club know that we have decided to hold the event as we did last year, where there will not be a large party. The event will be on Sunday, December 12. We will be collecting tins of cookies and will be looking for shoppers to use gift cards and select a family.

Christmas Auction – December 3 is the Christmas Auction. We will be using Zoom and in-person format. Several members have already offered items for auction, and it is coming up fast.

Thanksgiving Dinner for Families in Yarmouth/Dennis – Ted Atwood brought from his club in Nashville a Thanksgiving Dinner for families in need. There are boxes of food put together, with breakfast, lunch, and dinner. There are 15 families from both ME Small and Station Avenue Elementary who we will be able to help. Ted Atwood stated, “One of the most rewarding parts of this is that for \$90 - \$100, you know you can feed an entire family for the entire day. Putting together the boxes was a great fellowship.”

CAPE COD BRITE LIGHTS

You have heard me mention or talk about the new 501c(3) corporation that was recently started by our Rotary Club. It is named Cape Cod Brite Lights and its mission is to help those in need on Cape Cod. Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%.

In addition, to the backpacks we have focused on providing a weekly food bag to clients at Community Connections. These clients are ones that are living on their own but are also struggling to keep their heads above water. About 15 – 18 food items are provided each week to each client to help supplement their food insecurities.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 6:00 PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the second Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$150 yearly to support one child's backpack and \$250 yearly to support a weekly food bag. If you would like to financially support a child or a Community Connection client, checks can be mailed to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier.

Fourth: Visit our website and learn more about us. Capecodbritelightsinc.com

New Members Bill Glass & Pam Rideout – Today, PDG Steve Albright inducted 2 new members into the club, Bill Glass and Pam Rideout. Bill was an active member of 33 years and Past President of this club in Wilton, Connecticut. Pam Rideout was a member of the Rotary Club of Yarmouth for 15 years and recently retired from banking. She was active with Youth Exchange and many service projects of the club. We welcome them both to the club!! “This is very exciting for me to be back to serving the Cape again,” said Pam Rideout. Pam has been on the Cape for over 40 years and raised her family here. She has 4 grandchildren who she is very close to. Bill stated, “It’s really a great opportunity to continue my Rotary career here in Yarmouth. This is an exciting and engaging club. I’m really going to try my best to sing well!” He retired as a Captain after a 25-year career in the Navy and worked in advertising and marketing.

Five Avenues of Service

The Five Avenues of Rotary Service form the foundation of Rotary's work, ensuring focus on Service Above Self and that the service efforts are balanced and advance all aspects of the Object of Rotary to encourage and foster the ideal of service as a basis of worthy enterprise.

Club Service – The First Avenue of Service

We are a volunteer organization which requires everyone's help to make the club operate. Everyone gets a chance to pitch in at various times throughout the year. Club Service includes, but not limited to front desk, greeting members and guests, leading the club, in the pledge or 4 way test, helping to set up or tear down the room for the meeting or any of a number of other tasks.

Vocational Service – The Second Avenue of Service

As business leaders and community leaders, Rotarians share their skills and expertise through Vocational Service. Your Vocational Service efforts can play a vital role in improving the quality of life for those hardworking members of the community who need direction and expertise. By participating in several Vocational Service activities like mentoring, career days, vocational awards, business assistance, or even talking about your job at a club meeting – you can turn your experience into an invaluable resource for others.

Community Service – The Third Avenue of Service

Many members focus on Community Service projects. Community Service can be likened to "rolling up your sleeves" to serve our community. Our projects include helping hands, stuff a cruiser food drives, packing and delivering backpacks of weekend food for students, cooking at Champ Homes, labeling and delivering the books our student vacation book club, shopping for gifts or serving meals for our annual holiday Christmas party, working on the gardens that we take care of around town or one of the many more projects we find ourselves involved in.

International Service – The Fourth Avenue of Service

International Service is for the advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service, to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace. The International Committee of our Club has many projects supporting these goals and invites and encourages member participation in this important work. Our club is currently involved in three schools in India, helping to provide an education for children from low-income neighborhoods. In addition, our projects provide nutritional food, clean water, proper sanitation, and hygiene education for the children. In addition, we help to provide adult education to people who have never had an opportunity to learn. We have participated in peace and conflict resolution discussions and forums and have collected used mobility devices for the Crutches for Africa program.

New Generations Service – The Fifth Avenue of Service

New Generations Service, the newest Avenue of Service, created by the 2010 Council on Legislation of Rotary International recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects and exchange programs that enrich and foster world peace and cultural understanding. Our Club is committed to involving youth and young adults in all of its activities including vocational, community and international service projects. We support our Interact Club at DY Regional High School, the Rotaract Club at CCCC, RYLA by supporting and sending students to this program each year, Youth Exchange by

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
