Yarmouth Rotary Fact: Meals on Wheels

Years ago, our Rotary Club became involved in the Yarmouth Meals on Wheels program volunteering to deliver meals one day a week (Tuesdays).

The Meals on Wheels program, sponsored and run by the Elder Services of Cape Cod and the Islands brings meals to people aged 60 and older who are homebound and unable to prepare their own meals. The menu is varied and the meals are nutritionally balanced, prepared without added salt and consist of a dinner, desert, milk, bread and margarine. Meals are delivered between 9 am and noon, Monday thru Friday, except holidays. A small donation of \$3.00 per meal is asked for but nobody is denied based on their inability to donate. If you know of someone who qualifies and would like this service call 508-394-4630.

Currently we have 34 Yarmouth Rotarians that have volunteered to be on this club committee. This means that about every 17 weeks you and another Rotarian will deliver the meal to the homebound. It takes about an hour and a half to do this worthwhile community service project. If you would like to be added to the committee please contact Steve Albright.

FONTDATION FACT: What the Architect of The Rotary Foundation had to say: “The Rotary Foundation is not to build monuments of brick and stone. If we work upon marble, it will perish; if we work on brass, time will efface it; if we rear temples they will crumble into dust; but if we work upon immortal minds, if we imbue them with the full meaning of the spirit of Rotary...we are engraving on those tablets something that will brighten all eternity”
Arch C. Klumph, President of Rotary International, 1916 - 1917

GUEST SPEAKER: Bill Simpson “SCORE”

Our guest speaker last week was Bill Simpson from SCORE, which was formed in 1964 as a resource partner of the Small Business Administration. Their mission is to help aspiring and existing businesses succeed. Bill mentioned that 99.7% of businesses in the US are considered small businesses, meaning there are 500 employees or less. SCORE provides one-on-one mentoring to business owners as well as workshops, seminars and events. One of SCORE’s success stories is Vera Bradley, which had its beginnings here on Cape Cod. The focus of SCORE is on mentoring, not consultation, thus mentors help business owners find answers versus preaching what they should do.

Locally on the Cape, the local chapter currently has 52 mentors and over 425 active clients. Last year, they collectively conducted over 927 mentoring sessions. They are always looking for more qualified volunteers who are experienced managers, business owners, directors, trainers, educators, and authors. These mentors come from many sectors and provide guidance in all disciplines of business including sales, marketing, accounting, finance, construction, restaurant/hospitality, finance, and many others. They also provide training programs to help business owners get started correctly. SCORE Cape Cod has partnered with the Chamber of Commerce to provide “Short Course” programs – hour long seminars on specific topics of interest for small businesses. They also provide a weekly column in the Sunday Cape Cod Times.
