PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

Vol. 29 No. 17

October 25, 2019

The Main Event

Guest Speaker Elaine Young - Tom Martin introduced our guest speaker, Elaine Young, and is a RN, PhD, and author, including Condoms are Next to the Toothpaste. She thanked Rotary for over 100 years of service. She wrote a senior paper about her great grandfather and 60 years later, is finishing it. He was in the Spanish-American War which was only 3 months. It was the 1st war I was chin America became imperialistic. Irving Heat's Twisting Freedom is the title of the new book. The war left him with nightmares and a nun gave him advice to take care of others who were worse off than he, and he would begin to be able to let go. He worked with leper colonies, which was one of the least contagious diseases. He was in Manila at the outbreak of Word War II and was taken to a concentration camp as a POW. He weighed under 100 pounds and was starving. He focused on feeding the children and taking care of them while in the concentration camp. It was the Rotary Club in Manila that ended up helping children with "hair lip" and lepers. She then read the last sentence of the book, and she stated if he were here, he would say "Thank You" to all of the Rotarians.

World Polio Day - Jill Albright gave an update on World Polio Day. Polio eradication began in the 1970s in the Philippines. 2014, there were 359 cases worldwide, low of 22 in 2017 and as of September 19th of this year we are back up to 82 in Afghanistan and Pakistan. The "Plus" in "Polio Plus" is for the other types of support people with polio or who have suffered from polio need to live such as transportation, bed sheets with insecticides, etc. Please see last month's Rotarian magazine for the article with many stories about the impact of our collective work and donations. Jill urged all Rotarians to donate to the Rotary Polio Plus Foundation and she will be collecting next Friday.

DY Rising Star - Nicole D'Errico introduced this month's DY Rising Star, Nikolina Hanniford is a DY Senior. She is ranked 5th in the Senior Class with a 4.05 GPA. She is not just in it for the grade but for the knowledge. She works hard, and has a reputation among her peers as a reliable person with a contagious desire to learn. She is also invested on the basketball team, chosen to be a student ambassador and also involved with her church community.
