DEIB Information Corner

Is This Progress?

We are both senior citizens living on a bucolic peninsula called Cape Cod

We both have owned homes in an upscale condominium community for many years.

We both drive a well-appointed Lexus 350RX vehicles.

We both belong to the same Golf Club and dine regularly at the same on-site Italian restaurant.

We both enjoy the company of many of the same neighbors and friends.

Both of us are active in the community and volunteer for a couple of the same organizations.

We both gather at the same galas and fundraisers to support our various causes.

So why when I am in the parking lot of our golf club and approaching the Pro Shop with a golf club in my hand does she ask” Rufus, are you stealing a club”? No, I am bringing a club that someone left on the course during my round. Why is such a question like this even asked of me, when this is an everyday occurrence on our busy golf course. At that moment she didn’t see Rufus, the prosperous retired corporate vice president, successful philanthropist, and avid golfer like herself, she saw a Black man!

SHARING YOUR DEIB MOMENT

A goal of our Club’s DEIB Committee for the 2023-2024 Rotary year is to continue to have a Club member share their DEIB moment during our Club meetings held on the 2nd and 4th Friday of each month. Our weekly Rotary meetings are a safe place and time for all to share their personal experiences on diversity, equity, inclusion and belonging.

If you are interested in presenting your DEIB moment to our membership during a Club meeting, please contact Ann Knell to sign up and schedule a date to share your DEIB moment.

DEIB Committee Members: Rufus Jones (Chair), Bruce Gordon, Bill Boyd, Jane Cain, Hollie Handrahan, Ann Knell, Frank Mastromauro, Joe Potzka, Sara Grambach

History of Veterans Day—A day we remember all those that have served and those that have given the ultimate sacrifice. We Thank You.

On November 11, 1919, President [Woodrow Wilson](#) issued a message to his countrymen on the first Armistice Day, in which he expressed what he felt the day meant to Americans:

A year ago today our enemies laid down their arms in accordance with an armistice which rendered them impotent to renew hostilities, and gave to the world an assured opportunity to reconstruct its shattered order and to work out in peace a new and more just set of international relations. The soldiers and people of the European Allies had fought and endured for more than four years to uphold the barrier of civilization against the aggressions of armed force. We ourselves had been in the conflict something more than a year and a half.

With splendid forgetfulness of mere personal concerns, we remodeled our industries, concentrated our financial resources, increased our agricultural output, and assembled a great army, so that at the last our power was a decisive factor in the victory. We were able to bring the vast resources, material and moral, of a great and free people to the assistance of our associates in Europe who had suffered and sacrificed without limit in the cause for which we fought.

Out of this victory there arose new possibilities of political freedom and economic concert. The war showed us the strength of great nations acting together for high purposes, and the victory of arms foretells the enduring conquests which can be made in peace when nations act justly and in furtherance of the common interests of men.

To us in America the reflections of Armistice Day will be filled with solemn pride in the heroism of those who died in the country's service, and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of nations.^[6]

The United States Congress adopted a resolution on June 4, 1926, requesting that President [Calvin Coolidge](#) issue annual proclamations calling for the observance of November 11 with appropriate ceremonies.^[6] A Congressional Act (52 Stat. 351; 5 U.S. Code, Sec. 87a) approved May 13, 1938, made November 11 in each year a legal holiday: "a day to be dedicated to the cause of world peace and to be thereafter celebrated and known as 'Armistice Day'".^[4]

In 1945, [World War II](#) veteran Raymond Weeks from [Birmingham, Alabama](#), had the idea to expand Armistice Day to celebrate all veterans, not just those who died in [World War I](#). Weeks led a delegation to Gen. Dwight Eisenhower, who supported the idea of National Veterans Day. Weeks led the first national celebration in 1947 in Alabama and annually until his death in 1985. President Reagan honored Weeks at the White House with the Presidential Citizenship Medal in 1982 as the driving force for the national holiday. [Elizabeth Dole](#), who prepared the briefing for President Reagan, determined Weeks as the "Father of Veterans Day".^[7]

US Representative [Ed Rees](#) from [Emporia, Kansas](#), presented a bill establishing the holiday through Congress. President [Dwight D. Eisenhower](#), also from Kansas, signed the bill into law on May 26, 1954. It had been eight and a half years since Weeks held his first Armistice Day celebration for all veterans.^[8]

Congress amended the bill on June 1, 1954, replacing "Armistice" with "Veterans," and it has been known as Veterans Day since.^{[4][9]}

The National Veterans Award was also created in 1954. Congressman Rees of Kansas received the first National Veterans Award in [Birmingham, Alabama](#), for his support in offering legislation to make Veterans Day a federal holiday.^[10]

Although originally scheduled for celebration on November 11 of every year, starting in 1971 in accordance with the [Uniform Monday Holiday Act](#), Veterans Day was moved to the fourth Monday of October (October 25, 1971;^[11] October 23, 1972; October 22, 1973; October 28, 1974; October 27, 1975; October 25, 1976, and October 24, 1977). In 1978, it was moved back to its original celebration on November 11. While the legal holiday remains on November 11, if that date happens to be on a Saturday or Sunday, then federal government employees and a number of organizations will instead take the day off on the adjacent Friday or Monday, respectively.^[12]

Roby Whitehouse along with other Rotarians attended the Annual Yarmouth Chamber of Commerce Banquet. The Yarmouth Chamber of Commerce awarded the Yarmouth Rotary Club "Non Profit of the Year". Roby presented the plaque that she received that evening to President Jill.

Volunteers Needed

Please see Steve Albright to Volunteer

HELP WANTED: Needed one to three club members that can share the duties of writing the articles for the weekly TGIFY. John Cooke has been doing the writing for over the past 6 years and needs to step away from it due to time constraints and time conflicts with work. Tomas has been doing a lot of the writing this past year but has taken on other duties in the club. Steve Albright has been doing the layout, finding additional information/stories and publishing the TGIFY for the past 12 years and will continue to do this but cannot take on the additional job of writing. To volunteer or find out additional information contact Tomas or Steve. If nobody steps up to volunteer it could mean the end of or major changes to the TGIFY. In addition, the DEIB committee has been providing weekly submissions for the newsletter and we have a DEIB speaker every other week so the workload has increased.

MEALS ON WHEELS – Currently Meals on Wheels is experiencing a shortage of drivers for the delivery of daily meals. If you have a couple of hours one day a week and can volunteer to deliver meals for them, please contact the Elder Services Group at the Yarmouth Senior Center. COVID & CORKS—Wine cork recycling benefits our earth’s sustainability. The Rotary Club of Yarmouth has over the last 18 months collected 14 pounds of corks which are sent to be recycled and then upcycled. Funded by the Widget Company, Cork Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our oceans, prevent deforestations and teach better ways to live in harmony with our environment. To date Cork Club has donated \$121,800 to these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Jill Albright who will then ship them to Cork Club. **KEEP THOSE CORKS COMING!!!!**

CAPE COD BRITE LIGHTS

Cape Cod Brite Lights a501c(3) corporation that was started by our Rotary Club is now in it's third year. Its mission is "to help those in need on Cape Cod. "Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%. In addition, with the assistance of Interact we have started to provide the school nurse with feminine products for high school girls. In addition we will be providing students in need with bags of hygiene products during the upcoming school year. The Interact Club has applied for a District Grant to support this project.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 5:30PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the third Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$250—\$300 yearly to support one child's backpack and although we don't have a total figure on the hygiene project, we know that the items provided are costly. You can make a donation to support these two projects by sending your check to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier. Visit our Website.

Fourth: Visit our website and learn more about us. Capecodbritelightsinc.com

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
