PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

Vol. 22 No. 17

October 31, 2014

The Main Event

GUEST SPEAKER: BRIAN CARCHEDI,
YARMOUTH POLICE DEPARTMENT

Kevin Lennon introduced fellow Yarmouth police officer, **Brian Carchedi**, who serves as the Department's supervisor of the Nasal Naloxone or "Narcan" Program. **Officer Carchedi** has been with the Yarmouth Police for two years after five years in the Orleans Department. He outlined some of the sobering facts about the national and regional drug threat. Locally, it is three times the national average. A new Massachusetts law allows first responders and family members to carry the Narcan kit without a prescription.

Naloxone is a prescription medicine that reverses an opioid overdose. It cannot be used to get high and is not addictive. Naloxone is safe and effective; emergency medical professionals have used it for decades.

The goal of distributing naloxone and educating people about how to prevent, recognize, and intervene in overdoses is to prevent deaths. Other goals, such as decreasing drug use, can only be accomplished if the user is alive. Naloxone is an antidote to opioid drugs. Opioids can slow or stop a person's breathing, which causes death. Naloxone helps the person wake up and keeps them breathing. If you suspect an opioid overdose, it is safe to give naloxone.

People who used opioids will then wake up and go into withdrawal. Withdrawal is miserable but better than dying. An overdose death may happen hours after taking drugs. If a bystander acts when they first notice a person's breathing has slowed, or when they cannot awaken a user, there is time to call 911, start rescue breathing (if needed) and give naloxone.

NEW MEMBER: MATT JOHNSON

Before he left for Florida, **John Herr** advanced the name of **Matt Johnson** for membership into the Yarmouth Rotary, and on this day, it became an accomplished fact as **President Steve** presided over the inducting ceremonies. **Matt** expressed his pleasure at being "*back in active membership*." He is a former Rotarian – 25 years and a Past President – from Westport, CT, where he was the Executive Director of the YMCA. After spending many summers on the Cape, it was an easy choice to come here upon retirement from service in the "Y." He resides at Heatherwood, where he came to know **Jack Leon** before his passing.

NEW MEMBER: CHANTAL KATHERINE HAYES

Bernie Nugent, an activist in recruiting new members into the Yarmouth Rotary, continued the exhibition of his talent with his sponsorship of **Chantal Hayes**, an attorney and professional mediator. **Chantal** comes into Rotary membership uniquely experienced, having "*lived in the Rotary shadow*" through her grandfather, **Harold**, and her father, **Michael**, both Hyannis Rotarians. She grew up in Yarmouth, is a D-Y graduate, and will soon be marrying **Thad Rice**, a D-Y teacher. She feels strongly about community volunteering and has already been active in a variety of organizations from We Can, Independence House, CC Young Professionals, and a range of bar associations.

Happy Birthday!!!
