T-G-I-F-I-Y

PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

Vol. 32 No. 11

September 10, 2021

The Main Event

Guest Speaker Heather Bish, Ed.D, Director of Project Forward at Cape Cod Community College - Heather has been working in special education for many years. Project Forward is a occasional training program for students with disabilities at CCCC. This program has been in existence for more than 30 years in the post-secondary setting. She came to the program in 2018. She realized in working with elementary students, there needed to be a program after their K-12 curriculum. While often, the skills these students have aren't necessarily things that show up on standardized tests, these students are very capable. The goal of the organization is to build employment skills through a combination of classroom instruction and "real world" work-site learning. They help students move from high school to work, or from under-employment to a better job.

WKKL - The students have their own radio station on campus. This was an opportunity for them to be on the air, learn FCC regulations, and produce their own radio shows. This is motivating to many students, including Public Service Announcements and public speaking on-air. Students gained soft communication

skills and confidence by being DJs on the radio. This positive feeling based on their experience has led to several students now working professionally at radio stations!

The program is a 2-year program that includes soft and technology skills. The program costs \$2,260 per semester. The group also raises funds and access grants to help defray the cost, as well as transportation and books. Accessibility for local students is vital and something Heather is very proud of.

They also operate the Seashore Cafe at CCCC. Heather invited all to visit the cafe, which even accepts debit/credit cards! OSHA, ServSafe, and other programs are taught so they are able to graduate with credentials/certifications, which makes them marketable. 99% of the students successfully complete these exams.

Heather noted that 87% of students work in a paying job after graduating from the program. And 94% feel prepared for the workforce after graduation. For example, one of the students has a craft business making masks, glasses accessories, bracelets and more. She learned the entrepreneurial skills through the program. Heather also developed an alumni network so they can have established connections for future professional contacts.

For more information, visit www.capecod.edu/projectforward!

Golf Update - Jim Seymour let us know that we have 64 golfers, and we have promised 90. There are 8 or 10 Rotary Club members that have typically golfed that Jim will be reaching out to. We only have 4 tee/green sponsors for repeat business. Please reach out to your contacts. 4 gift certificates. One foursome for Bayberry. Please, please, please reach out! We are in the final sprint towards the event.

CHAMP HOUSE COOKOUT

Thursday 9/16 @ 4:00 PM

If you would like to help, please let Allison McEachern know.

URGENT + URGENT + URGENT + URGENT + URGENT + URGENT = URGENT

Golf Tournament - Jim Seymour let us know that we are at 64 registered golfers. We need 90 so this does not cost the club money. We have 3 weeks to make up the difference. **We need sponsors. We need golfers.** Please, please, please, contact Jim if you need information or brochures.

All About Me - Dick Corsini kicked off our “All About Me” feature, which replaces the Classification Talk. His father was a Rotarian in Worcester. He was captain of the tennis team and ice hockey. From 8 to 12 he went to camp and learned many things. He was the tennis pro at Bass River Tennis Club. He went to Villanova and was treasurer of his class. After 1st semester of his senior year, he flunked out! His father said he better do something quickly. He enlisted in the Marine Corps, went to Paris Island, and ended up at Camp Lejeune. He met the Colonel, who’s wife wanted to learn tennis, which worked great. He left the Corps and finished his college term at Nichols College. He worked for Johnson & Johnson in manufacturing. He then transferred into the sales division. He decided corporate America wasn’t for him. He ended up selling modular homes for a number of years. He decided to start Corsini Development and Real Estate to build stick homes in Worcester and Cape Cod. He taught at Cape Cod Community College for 37 years as an adjunct professor. It was through this connection and Yarmouth Rotary that he met Finbarr Corr, and they

formed the Advocates for a Community College Education. Cape Office Products 3 stores and 40 employees. He sold in 1989 to a Fortune 500 company and turned it into Ikon Office Solutions. He then opened a troll store in Hyannis. It was a staggering success! He then began customer retention services for automotive dealership. In 1981, he was sponsored by Milton Penn to the Hyannis Rotary Club. He was denied membership because of a competitor. He then went to the Orleans Rotary Club. On his way to a meeting, he got stopped by a Brewster Police Officer. He gave a Happy Buck when he arrived to the meeting, and was quickly introduced to the Police Chief of Brewster! He was then asked to begin the Rotary Club of Yarmouth, which started in 1989! Dick Served as the first President of our club

ROTARY ANNIVERSARIES September

Jim Quirk - 29 Years

Tom Tomasik—22 Years

Raldo Mowatt—1 Year

Thank you for being a part of our great club and the Rotary International organization.

International Update - Jackie Carnevali spoke regarding the grant we wrote, which was approved in March. We sent a lot of documentation, and so, too, did the Hyderabad club. Unfortunately, there has been a change in how they process grants, so the funding has not been disbursed as of yet, but we remain optimistic that it will happen soon. The contractors are lined up and ready to go once the funds come in. Jackie mentioned that when she was a school teacher and a principal, she managed the collaborative program in Holden. There were enough aides and support to integrate these students in the regular classroom successfully. Jan Tczazik invited Jackie to speak about her international experiences. We have now expanded the projects from K-5 through high school. They are also teaching soft skills such as looking people in the eyes, shaking hands properly, keeping their chins up. They now have 2 students that are on the Board of Directors who grew up through the program. The full cycle is inspirational.

CAPE COD BRITE LIGHTS

You have heard me mention or talk about the new 501c(3) corporation that was recently started by our Rotary Club. It is named Cape Cod Brite Lights and its mission is to help those in need on Cape Cod. Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%.

In addition, to the backpacks we have focused on providing a weekly food bag to clients at Community Connections. These clients are ones that are living on their own but are also struggling to keep their heads above water. About 15 – 18 food items are provided each week to each client to help supplement their food insecurities.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 6:00 PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the second Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$150 yearly to support one child's backpack and \$250 yearly to support a weekly food bag. If you would like to financially support a child or a Community Connection client, checks can be mailed to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier.

Fourth: Visit our website and learn more about us. Capecodbritelightsinc.com

THESE ITEMS ARE ALWAYS NEEDED AT THE YARMOUTH FOOD PANTRY

Canned Pasta	Syrup
Mac & Cheese	Tuna Fish
Peanut Butter	Soup
Jelly	Instant Potatoes
Cereal	Nutri-Grain Bars

Drop your donations off at the Pantry Mon—Fri. 10am to 12 noon.
Mail check donations to Yarmouth Food Pantry, PO Box 982
West Yarmouth, MA 02673

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)

Leg Braces

Crutches

Forearm Crutches

Walkers

Wheelchairs

THE FOUR WAY TEST

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?"
