The Main Event

Guest Speaker Maeghan McDonnell, DY District Coordinator for the English Learners Program -

Maeghan spoke to the club about the English Learners Program throughout the Dennis Yarmouth School District, which she oversees. The students often come with several language experience and the students are helped to learn English, assimilate into the school system, and get up to speed with the curriculum. It is an asset based approach, where the students bring knowledge, skills, and understandings from their experience to apply to their daily curriculum. There are currently 11.5% of the student population who are enrolled in the program. Each of the schools has EL teachers appointed. Most of the schools have 3 or more teachers on staff for the program. Languages spoken by students include Spanish, Portuguese, Creole, Vietnamese, Bulgarian, Tagalog, Arabic, Urdu, and more. The program, by law, but be based on sound research, school districts must commit to resources and employ it with fidelity, and must be evaluated regularly. EL students are completely immersed in the regular learning program. DYRSD is a Sheltered English Immersion district, which means that students from Kindergarten to grade 12 are taught in English with the support of SEI endorsed teachers and certified EL teachers. Students receive pull out instruction from their EL teacher. Of note, 98% of the teachers in the DYRSD are SEI endorsed! EL students are placed in classroom with SEI endorsed teachers so that English Language Development is part of everyday instruction.

There is also summer programming for students, which actually have enjoyed time with the Maritime Museum in Hyannis as well. This allowed students to learn about marine life and enjoy time on Lewis Bay.

CAPE COD BRITE LIGHTS

You have heard me mention or talk about the new 501c(3) corporation that was recently started by our Rotary Club. It is named Cape Cod Brite Lights and its mission is to help those in need on Cape Cod. Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%.

In addition, to the backpacks we have focused on providing a weekly food bag to clients at Community Connections. These clients are ones that are living on their own but are also struggling to keep their heads above water. About 15 – 18 food items are provided each week to each client to help supplement their food insecurities.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 6:00 PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the second Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$150 yearly to support one child's backpack and \$250 yearly to support a weekly food bag. If you would like to financially support a child or a Community Connection client, checks can be mailed to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier.

Fourth: Visit our website and learn more about us. Capecodbritelightsinc.com

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)

THE FOUR WAY TEST

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?"
