The Main Event

Guest Speaker Jill Albright, Membership Committee - There has been a lot of talk about what are we doing, where are we going, and how do we get there. The Membership Committee has been meeting monthly for the past couple of years. There have been sign in sheets, where we email guests after the meeting as a follow-up. There is also a postcard given to each guest with a survey about their experience at the meeting. We also created business cards that has the contact information and an invitation to breakfast. We have also created a survey of the membership, developed a brochure, developed committee descriptions and outbound calls for members who have not been seen for a while. This was all done Pre-COVID.

When COVID hit, we transitioned to Zoom. We reached out to members; some liked Zoom, some didn't, and some couldn't figure out how to get on. In addition we had a radio interview on WXTK and WCOD.

Phil Morris let us know that the Membership Committee reached out to 18 members who have not been with us in a while, and 11 responded. Reasons these Rotarians have not come to meetings include personal issues, work restrictions, family care, and also reported a lack of orientation.

Moving forward, we are going to try some new and re-engage some older ideas, such as reinstating "All About Me", which are shorter versions of classification speeches.

PDG Steve Albright stated that 70% of the members of the Rotary Club of Yarmouth are 70+ years old. This is not Yarmouth Rotary club only but throughout North America. This has been a trend for 25 years, where there have been losses in the district in membership overall. Not one other club has proposed another way to gain members.

Satellite Clubs - The Membership Committee has grabbed onto the idea of forming a satellite club. This is a way for us to attract new, younger membership for those who may not be able to attend 4 meetings a month, or expensive dues. The Board has given the green light for the Membership Committee to spin off a satellite club. A satellite club would need 8 members to start, they are part of Yarmouth Rotary, but will decide their own structure. They can be a cause-based club, an e-club, or hybrid model. They can meet at different locations/times. It allows community members to be a part of service with their own meeting bylaws and board. They operate under the guidance of our club, and would be considered members of Yarmouth Rotary. One negative would be if the satellite club reaches 20 members, they could form a separate club. This may be a group more interested in local interests versus global.

Benefits - We will grow Rotary. The number of Rotarians in North America are dwindling fast. More service opportunities for club and community. The club can start with a smaller number of members, and we may attract people for whom either time or financial commitment does not work with being a member of a traditional club.

The concept was presented to the Board of Directors, and it was approved. Promote the concept through social media and CCYP and the Yarmouth Chamber of Commerce.

October 19 will be a social meeting scheduled here at Hearth and Kettle. We will provide information about Rotary, determine interest, identify potential leaders and support them.

Engagement and retention are two topics we speak of a lot in the Membership Committee and this needs to be a focus of every member of the club. We need to step up and invite others to join us for breakfast.

Golf Tournament Update – Jim Seymour reminded everyone that the golf tournament is on! The brochure is being finalized and will be distributed soon. PP Kevin Lennon showed the online portal for registration. The link for registration is <https://birdease.com/yarmouthrotarygolf>. By going online with the registration, it will streamline the process and make it easy for us to register golfers, maintain contact with them, and make the day-of events easy. Jim Seymour will be sending out a detailed email for silent auction items, the registration process and more in the coming days.

CAPE COD BRITE LIGHTS

You have heard me mention or talk about the new 501c(3) corporation that was recently started by our Rotary Club. It is named Cape Cod Brite Lights and its mission is to help those in need on Cape Cod. Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%.

In addition, to the backpacks we have focused on providing a weekly food bag to clients at Community Connections. These clients are ones that are living on their own but are also struggling to keep their heads above water. About 15 – 18 food items are provided each week to each client to help supplement their food insecurities.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 6:00 PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the second Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$150 yearly to support one child's backpack and \$250 yearly to support a weekly food bag. If you would like to financially support a child or a Community Connection client, checks can be mailed to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card.

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
