PUBLISHED WEEKLY BY THE ROTARY CLUB OF YARMOUTH

Vol. 22 No. 10

September 12, 2014

The Main Event

GUEST SPEAKER: JOSHUA ELDRED, AUCTIONEER & AP- PRAISER

Janice Matheson introduced Guest Speaker **Ron Bearse**, founder and president of Nauset National Security Group with an office in Hyannis. **Ron** has a BA in Political Science (University of Massachusetts) and a MPA (George Washington University). He is a Fellow at George Mason University's Center for Critical Infrastructure Protection and Homeland Security and is a Distinguished Graduate of the National Defense University's Industrial College of the Armed Forces.

Ron spoke of his extensive insider experiences in Washington, DC, as Director of Security within the Department of Treasury during the time of the terrorist attacks of September 11, 2001. He related with passion and clarity about his own personal reactions as well as his observations of the formidable changes wrought on the national consciousness by those events and the ensuing consequences. He concluded with an observation that 9-11 drove home the international fact that *"the Cold War [of an ideological dichotomy] was over – now it's back to the [untidier deviousness of] the nature of man."*

FOUNDATION MOMENT – DAVE BISBEE

Dave Bisbee pointed out that the Yarmouth Rotary lists over 110 Paul Harris Fellowships under the Club banner, of which 40 are held by current active members. This leaves a large opportunity for the remaining active members to participate in the \$500 Club-matching program in order to become Paul Harris Fellowship members themselves.
