## The Main Event

**Dr. Marc Smith**  
Superintendent Dennis Yarmouth Regional School District

From Entry to Strategy

Dr. Smith was able to take the first year to be able to listen and ask community members questions. He also did a document review and analyzed data about enrollment, diversity, and needs. This also involved meetings and workshops to listen.

There were several themes that he found. "Dolphins Swim Like This" meaning people had a ton of pride. Many staff were Dolphins or raised children to be Dolphins.

"This is our Pod" means many school based traditions and well attended and supported events that connect school community.

"Each Dolphin has their own Path" meaning regardless of what your interests are there are opportunities for many different passions.

"Not swimming in same direction" meaning each school used different resources.

"Riding the Wave, but not Making the Mark" meaning testing was below or at state average.

"Swimming in another ocean " meaning 4 students' choice out versus every 1 that choices in.

The leadership team took this data and over the summer created a one year action plan and a five year strategic plan.

Strategic Plan 1 - Eliminate disparities in access for every student

Strategic Plan 2 - Establish consistent district-wide systems to support organizational effectiveness

QUEEN OF HEARTS—Mike “Duff Daddy” Duffy is all smiles as he found the Queen of Hearts and took home \$403.00.

We start a new game this Friday.

September is Basic Education and Literacy Month

Rotary's impact on communities through basic education and literacy projects

**South Africa** — Rotary clubs in South Africa and Canada are working together to upgrade and develop the capacity of all 47 Early Childhood Development Centres in the Phillippi Township of Cape Town, South Africa. Their goal is to provide children with quality care and support their learning and development. In addition to upgrading the school infrastructure, the project also focuses on improving the skills and qualifications of teachers and caregivers so that the centres become eligible for state support.

**COVID & CORKS**—Wine cork recycling benefits our earth’s sustainability. The Rotary Club of Yarmouth keeps on collecting corks and to date we have shipped at least 10 boxes of corks be recycled and then upcycled. Funded by the Widget Company, Cork Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our oceans, prevent deforestations and teach better ways to live in harmony with our environment. To date Cork Club has donated \$121,800 to these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Carol Woodbury who will then ship them to Cork Club. **KEEP THOSE CORKS COMING!!!!**

Our 34th Annual Golf Tournament at Cummaquid Golf Club

Items we will need: Golfers, Sponsors, Raffle Donations  
(Silent and drop item raffle)

We have a long way to go and only 3 weeks to get it done.

We need everybody's help!!!! This is a Yarmouth Rotary Event.

**HELP WANTED:** Needed one to three club members that can share the duties of writing the articles for the weekly TGIFY. Tomas has been doing a lot of the writing this past year but has taken on other duties in the club. Steve Albright has been doing the layout, finding additional information/stories and publishing the TGIFY for the past 13 years and will continue to do this but cannot take on the additional job of writing. To volunteer or find out additional information contact Tomas or Steve. If nobody steps up to volunteer it could mean the end of or major changes to the TGIFY. In addition, the DEIB committee has been providing weekly submissions for the newsletter so the workload has increased.

## Support Crutches 4 Africa

Enable disabled in developing countries to have hope, dignity, health and access

Keep aluminum out of our landfills

**Crutches 4 Africa** - Collection of items for the Crutches 4 Africa is an ongoing project, Lou Preziosi has taken over the leadership of this program.

If you, your relatives, friends or neighbors have any mobility devices please collect them and turn them in at the Yarmouth Transfer Station or the Boy Scout Office. You can also reach out to Lou if you need them picked up. Watch for people throwing them out when you visit the transfer station yourself. I saw someone discarding 3 great canes and was able to rescue them before they went into the dumpster.

Thank you to Roby for allowing us to use a storage container at the Yarmouth Waste Facility.

**MEALS ON WHEELS** – Currently Meals on Wheels is experiencing a shortage of drivers for the delivery of daily meals. If you have a couple of hours one day a week and can volunteer to deliver meals for them, please contact the Elder Services Group at the Yarmouth Senior Center. They are there Monday – Friday from 9 -11. These deliveries are in addition to the service that we provide them through our weekly deliveries on Tuesday.

**The Rotary Foundation:**

Any time of the year is always a great time to make a contribution to the Rotary Foundation. You can designate the Annual Fund, Polio Plus where your contribution will be matched by the Bill and Melinda Gates Foundation 2 to 1, or you can choose any of the seven areas of Focus to designate your contribution to. For more information or how to donate to the Rotary Foundation, please feel free to speak with Steve Albright who chairs the Rotary Foundation Committee for our cub.

Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Ask a relative, a friend, a neighbor, a business associate or a co-worker to join us so we all can do more in our community and our world.

We will start a new Queen of Hearts game again this week..

Mike Duffy picked the Queen of Hearts last week and took home \$403.00

#### CAPE COD BRITE LIGHTS

Cape Cod Brite Lights a501c(3) corporation that was started by our Rotary Club is now in it's third year. Its mission is "to help those in need on Cape Cod. "Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%. In addition, with the assistance of Interact we have started to provide the school nurse with feminine products for high school girls. In addition we will be providing students in need with bags of hygiene products during the upcoming school year. The Interact Club has applied for a District Grant to support this project.

#### How you can help:

**First:** Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

**Second:** We fill the backpacks and bags of food every Wednesday night at 5:30PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the third Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

**Third:** It costs \$300—\$350 yearly to support one child's backpack and although we don't have a total figure on the hygiene project, we know that the items provided are costly. You can make a donation to support these two projects by sending your check to:

**Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286**

Or you can visit our website at [Capecodbritelightsinc.com](http://Capecodbritelightsinc.com) and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier. Visit our Website.

**Fourth:** Visit our website and learn more about us. [Capecodbritelightsinc.com](http://Capecodbritelightsinc.com)

## Crutches For Africa

### A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Lou Preziosi along with members of the International Committee are heading this project up, but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Lou Presiosi a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs)

## THE FOUR WAY TEST

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?"
