Bill introduced himself his fiancé Deb and his extended family to the club. He told us about his 30 year rotary career having served on the District decorating committee, as a Sgt. at Arms for the District and serving 3 years as AG.</div> <div>Bill went on to discuss this year’s Theme, “Be the Inspiration”</div> <div>President Barry is asking every Rotarian to be the Inspiration to each other and the world. We must let everyone know about the wonderful things we are doing if we hope to gain new members and get support from the community.</div> <div>RI President Barry is also continuing PP Ian’s incentive on Environmental sustainability on pollution, environmental degrading and climate change.</div> <div>Bill went on to state that President Barry describes Rotary as “A global network of 1.2 million neighbor, friends, leaders and problem solvers who see a world where people unite and take action to create lasting change across the globe, in our communities and in ourselves.</div> <div>Bill thanked us for everything we do in our community and the world. Our food pantry, our Matka school, our scholarships, our holiday party for needy families and all of our other projects and giving that we do.</div> <div>He mentioned upcoming events in the district. The Providence Bruins game for Polio Plus, The Nuts and Bolts Training Assembly and the Foundation Dinner.</div> <div>“We are a membership organization first. If we want to be able to serve, if we want to succeed in our goals, we have to take care of our members first”</div> <div>This is a very exciting time in the Rotary world for change! Rotary’s bylaws have been amended to give clubs the freedom to change as they need to, to be appealing to their current membership.</div> <div>I have been asked by members repeatedly if we can try some new ideas, while others feel we are changing too rapidly. There are no wrong answers to this. I ask all clubs to openly discuss new ideas, to discuss change because unless the majority of the club has buy in they are destined to fail.</div> <div>Finally, try new ideas and if anybody asks is it ok to do it, please give them one of my business cards that I have put on the tables around the room. If you look at the back of it you will see, “Bill says its OK.</div> <div>Thank you for what you do and thank you for the wonderful hospitality you have shown us last night and today</div>		<div>Golf update - Mike and John – Think Golf, we need golfers, silent auction items, and more.
