The Main Event

Mindy Harrington – Guest Speaker

Youth Services Supervisor for Yarmouth Public Library

Lives in Sandwich with her husband and 2 daughters. Currently working on her master in Library Sciences. On top of working at the library she does work with Eventide Theatre Company, Cotuit Center of the Arts, and Harwich Junior Theater.

Grew up loving reading and grandfather would always help pay her late fee as she never wanted to give her books back. As she got older and went to college never thought she was a reader but read books, plays, and other things.

After graduating college, she moved to Buffalo as it was between her husband's family and her family. She worked in Buffalo at a performance center and made costumes for Broadway shows. After she had her first child she stayed home and worked part time and took a step back in her career. She then got the opportunity to work full-time in a Montessori school in Sandwich, MA. After being there for a period, she realized that private school was not for her. There was not enough diversity, and the class size was just too small. She then took an opportunity at Yarmouth Town library five years ago. She has served as the supervisor for the past year. Covid gave the opportunity for them to re look at how they did business and they were able to offer a variety of virtual programs including bingo and story time.

During the past year she has focused on outreach. She has continued to work on this. They have refreshed and painted the children's room as well have has added back more games and things for the kids to interact with. During several conversations they realized that people are looking for Inter-generational programming so people of all ages could do.

Partnerships have been a big help. Massachusetts Cultural Council has assisted them in getting them a Nintendo Switch to do more work with coding and get more social emotional skills. They present stem-based games. They have also partnered with Cape Cod Toy Chest, Cape Cod Creamery, and Harwich Junior Theatre.

This past summer to make things more inclusive they opened summer reading for all ages and not just kids. They also partnered with 40 local businesses who donated money or prizes.

ROBY Whitehouse - Bright Lights

Roby Whitehouse spoke about Bright Lights and the items needed to help fill backpacks for students in the DY school district. Tuna Fish is the item of the month of September, and we hope that people can bring some cans to the next couple meetings.

Steve Albright – Golf Tournament

Need about 20 more golfers to hit our minimum of 90 prepaid. We are also in need of gift cards and raffle items. Please get the word out and help ensure we can raise money for our scholarships for students.

Labor Day Report Finds that Work Does Not Work for Latinas

on August 31, 2023

ABOUT US

Since 1968, we've served the Hispanic community through our research, policy analysis, and state and national advocacy efforts, as well as in our program work in communities nationwide and through our network of over 300 affiliates across the country.

Despite Excelling in the Labor Market, Latinas Are Not Receiving the Full Benefits of Employment.

Washington, DC— **UnidosUS**—the nation's largest Latino civil rights and advocacy organization—released [*Making Jobs Work for Latinas*](#). The new report, released for Labor Day, describes how the workplace too often fails to meet the needs of determined Latinas across the country despite their higher-than-average participation in the workforce and very high rates of entrepreneurialism. Despite their efforts being a major driver for our national economy, the rewards of working for Latinas are limited by policies that both exclude the broader Hispanic community and disproportionately impact Latinas.

“Work is simply not working for Latinas. While Latina workers are primed to drive U.S. economic growth in the coming years, we must enact new policies that support better-quality jobs, allowing them to reap the full benefits of their employment. The truth is that when Latinas thrive, we all thrive. This report highlights policy recommendations to improve the value of work for Latinas, better support family-work balance, and ensure their growing economic momentum and dynamism continues,” said Susana Barragán, Policy Analyst at UnidosUS and author of the report.

By 2031, the number of Latinas in the workforce is expected to grow by approximately 26%— a higher rate than any other demographic group, including Hispanic males. The report outlines a number of critical policy solutions to improve supports for Latinas in our workforce:

- **Address low wages, unpredictable schedules, and poor workplace protections.**

According to a Center for American Progress analysis, Latinos make up, at most, only 3.4% of any of the top 10 highest-paying occupations—including physicians, lawyers, and financial and investment analysis. In contrast, Latinas have a disproportionately higher representation in the lowest-paying occupations in the United States. These lower-paying occupations also often offer unpredictable schedules and are more likely to be rife with labor violations and poor workplace protections.

- **Increase access to paid leave.**

Latinos are the least likely of any racial or ethnic group to have access to paid family leave through their employer, with only 25.1% of Latinos reporting access to paid parental leave compared to 49.7% of whites. Latinos also disproportionately work in occupations in which employers fail to provide paid sick days.

- **Increase affordable and accessible childcare.**

Latinas are disproportionately employed in jobs with unpredictable or inflexible hours, complicating their family's access to quality childcare. In addition to policies that are directly work-related, the creation of a national system for affordable and accessible childcare would greatly increase Latinas' earning potential by eliminating obstacles to full-time employment with higher pay and benefits.

- **Increase Latinas access to Retirement Savings Plans.**

Latinas are the least likely to have an employer sponsored retirement account: Just 18% of Hispanic women report having an employer-sponsored retirement account, compared to 45% of white women, 32% of Hispanic men, and 71% of white men.

To learn more about the findings, read the full report [here](#).

UnidosUS is a nonprofit, nonpartisan organization that serves as the nation's largest Hispanic civil rights and advocacy organization. Since our founding in 1968, we have contributed to a stronger America by elevating the voice of Latinos, and defending and advancing our community's concerns.

Dr. Bruce - Medical Moment

3 Vaccines coming up you should investigate to protect yourself and family.

RSV Vaccine – Respiratory Syncytial Virus (RSV) is the most common cause of lower respiratory tract infection in infants and children worldwide. In addition, RSV causes serious disease in elderly and immune compromised individuals. Until this year there were no vaccines for this virus.

Today there is an FDA approved Respiratory Syncytial Virus Vaccine available. The CDC recommends the older adults age 60 years and older receive a single dose of RSV vaccine using SCDM.

Doctors say the benefits of the new vaccine for older adults outweighs the potential harms in cases where RSV could be life threatening.

Flu Vaccine – Influenza (Flu) is a contagious respiratory illness caused by influenza viruses that infect the nose, throat, and lungs. Some people, such as people with certain health conditions, are at higher risk of serious flu complications.

The best way to reduce the risk of flu and its potential serious complications is by getting vaccinated each year.

Covid Vaccine – There is a new booster set to be released the third or fourth week of September. This booster is expected to protect against severe disease and death from the new circulating variants. This updated booster shot is formulated to target XBB.1.5, an omicron subvariant. It is a monovalent vaccine, meaning it only targets one strain. The previous bivalent booster was formulated with the original strain and BA.4/BA.5 strain.

Doc Bruce says you are supposed to be able to receive all three shots at the same time. If you are brave go for it. He would recommend spacing them out.

Ann Knell - DEIB

Diversity Equity Inclusion and Belonging

An email has been sent out to all members to sign up to share brief DEIB moments on how you have been affected by DEIB. We need to think deeply about what it means to us and how we can help others.

Our goal should be to ensure that everyone that attends our meetings feels welcome.

Curly Carey - Champ House

They will be having an appreciation barbeque for all volunteers over the past year.

Thursday September 28th from 4-5:30. Let Curley know by September 22nd if you would like to attend.

Crutches 4 Africa - Collection of items for the Crutches 4 Africa is an ongoing project,

Lou Preziosi has taken over the leadership of this program.

If you, your relatives, friends or neighbors have any mobility devices please collect them and turn them in at the Yarmouth Transfer Station or the Boy Scout Office. You can also reach out to Lou if you need them picked up. Watch for people throwing them out when you visit the transfer station yourself. I saw someone discarding 3 great canes and was able to rescue them before they went into the dumpster.

\$\$\$\$ Happy Bucks \$\$\$\$

Phil Morris – He says Hi

Lou Preziosi – For 5th year in the club and thanks to John Herr for getting him in the club.

Barry Clayman – For John Herr and playing phone tag, Congratulations to library, grandson got married 2 weeks ago.

Barbara Adams – To be back, For the library and Mindy.

Chris Morin – For the library and Jane.

Jan Martin - At the food pantry she handed out bags of school supplies to young children.

Steve Albright – For John Herr and Library

Mary Lenihan - Speaker, the library and for Fall and September and kids are all back to school.

Roby Whitehouse – Library and the newest members working on their goals to have a central location for volunteers, and grandson who has been elected to the board of directors of Bright Lights

Curley Carey– Great lobster clambake with Chantel and Frazier family, and for going to Pink, Guns and Roses and Bruce Springsteen.

Jill Albright– For Mindy our speaker and our granddaughter and fiancé are having their first book published.

MEALS ON WHEELS – Currently Meals on Wheels is experiencing a shortage of drivers for the delivery of daily meals. If you have a couple of hours one day a week and can volunteer to deliver meals for them, please contact the Elder Services Group at the Yarmouth Senior Center. They are there Monday – Friday from 9 -11. These deliveries are in addition to the service that we provide them through our weekly deliveries on Tuesday.

HELP WANTED: Needed one to three club members that can share the duties of writing the articles for the weekly TGIFY. John Cooke has been doing the writing for over the past 6 years and needs to step away from it due to time constraints and time conflicts with work. Tomas has been doing a lot of the writing this past year but has taken on other duties in the club. Steve Albright has been doing the layout, finding additional information/stories and publishing the TGIFY for the past 12 years and will continue to do this but cannot take on the additional job of writing. To volunteer or find out additional information contact Tomas or Steve. If nobody steps up to volunteer it could mean the end of or major changes to the TGIFY. In addition, the DEIB committee has been providing weekly submissions for the newsletter and we have a DEIB speaker every other week so the workload has increased.

DUES NOTICES: Currently there are Eleven members that have not paid their dues which were due July 1, 2023.

Payment may be made by clicking on the link in the emails that have been sent. In addition a check can be mailed to Yarmouth Rotary PO Box 448 South Yarmouth, MA 02664. In addition, credit card payments may be made at any regular meeting. Please see treasurer Steve Albright to pay by credit card.

FOOD of the MONTH for September is

Canned Tuna Fish

All items collected will go to assist the Cape Cod Brite Lights weekend backpack program.

We thank you for your generous support of this project.

Cash or Checks are always welcomed.

Rising Costs of Food continues to hamper our mission to help those in need. If you can help out we would greatly appreciate it.

Food Supplies at the Pantry are very low and the demand for the services of the food pantry are up due. If you can make any type of food donation it would be greatly appreciated.

THESE ITEMS ARE ALWAYS NEEDED AT THE YARMOUTH FOOD PANTRY

Canned Pasta
Mac & Cheese
Peanut Butter
Jelly
Cereal

Syrup
Tuna Fish
Soup
Instant Potatoes
Nutri-Grain Bars

Drop your donations off at the Pantry Mon—Thurs. 10am to 12 noon.
Mail check donations to Yarmouth Food Pantry, PO Box 982

The Rotary Foundation:

Any time of the year is always a great time to make a contribution to the Rotary Foundation. You can designate the Annual Fund, Polio Plus where your contribution will be matched by the Bill and Melinda Gates Foundation 2 to 1, or you can choose any of the seven areas of Focus to designate your contribution to. For more information or how to donate to the Rotary Foundation, please feel free to speak with Steve Albright who chairs the Rotary Foundation Committee for our cub.

COVID & CORKS—Wine cork recycling benefits our earth’s sustainability. The Rotary Club of Yarmouth has over the last 18 months collected 14 pounds of corks which are sent to be recycled and then upcycled. Funded by the Widget Company, Cork Club is a sustainability initiative started in 2007. The goal of the Cork Club is to grow wine cork recycling and make donations to causes that protect our oceans and forests. The Cork Club donates to non-profit entities that clean plastic from our oceans, prevent deforestations and teach better ways to live in harmony with our environment. To date Cork Club has donated \$121,800 to these projects. For each natural cork, 2 cents is donated. Synthetic corks are recycled properly. So enjoy your wine and save the corks. All corks can be given to Jill Albright who will then ship them to Cork Club. **KEEP THOSE CORKS COMING!!!!**

CAPE COD BRITE LIGHTS

Cape Cod Brite Lights a501c(3) corporation that was started by our Rotary Club is now in it's third year. Its mission is "to help those in need on Cape Cod. "Our main focus to date has been to provide weekend backpacks of nutritional food for needy elementary students in the DY School System. A backpack of food consists of shelf stable milk (white & chocolate), juice carton, cereal, instant oatmeal, two proteins which could be a can of tuna, chicken, pasta, soup or beef stew, a cup of apple sauce, macaroni and cheese, Nutra grain fruit granola bar, cheese its, fruit snacks, pudding cup and 2 pieces of fruit. In addition, to give each student some activities to do during the holiday break we put a coloring book and crayons in each bag. We started with a total of 25 students but have grown to 45, an increase of over 80%. In addition, with the assistance of Interact we have started to provide the school nurse with feminine products for high school girls. In addition we will be providing students in need with bags of hygiene products during the upcoming school year. The Interact Club has applied for a District Grant to support this project.

How you can help:

First: Currently we have a board of directors of 11 members. Our bylaws allow us to have a maximum number of 13. If you would like to be a part of our leadership, please contact Steve Albright.

Second: We fill the backpacks and bags of food every Wednesday night at 5:30PM at the Yarmouth Food Pantry. If you would like to help one or two nights a month, again please contact Steve Albright. Currently we have enlisted the local Girl Scout Troop to help on the first Wednesday of each month and the DY Interact Club to help on the third Wednesday of each month. We are trying to make it a community organization where anybody can be a part of it.

Third: It costs \$200—\$250 yearly to support one child's backpack and although we don't have a total figure on the hygiene project, we know that the items provided are costly. You can make a donation to support these two projects by sending your check to:

Cape Cod Brite Lights—PO Box 286, West Yarmouth, MA 02673-0286

Or you can visit our website at Capecodbritelightsinc.com and make a contribution with your credit or debit card. In addition you can now sign up to make monthly donations to Brite Lights. A smaller amount each month makes it much easier. Visit our Website.

Fourth: Visit our website and learn more about us. Capecodbritelightsinc.com

The Helping hands Committee undertook a new garden project two weeks ago. We adopted the garden in front of Town Hall where the sign is located. The team pulled weeds, removed dead bushes and did a general cleanup of the area all while fighting off a swarm of bees that had a nest in the garden. The team then planted new perennials and mulched the garden. Future plans included enlarging the planting bed, additional plantings, install new pressure treated timbers as an outline and installing a new sign. For now the garden looks neat and great. We also had time to weed the gold star memorial garden to make that look great. Volunteers included: Ken Knell, Ann Knell, Jackie Carnevali, Chris Morin, Curt Sears, Ken Livingston, Joe Potzka, Bill Boyd and Steve Albright. I hope I didn't miss anyone. If I did please accept my apologies.

Crutches For Africa

A Continuous Project by Yarmouth Rotary Club

Crutches for Africa is not a new project to our Rotary Club. We as a club have done collections for this great service and International project twice before. The first time we collected over 700 mobility devices and the second time we collected over 400 mobility devices. We are now hoping to set this up as an ongoing project. Mike Riley along with members of the International Committee are heading this project up but we would like all Yarmouth Rotarians to help out. Search for any of the desired items in your home, your extended families homes and your neighbors homes. Round up all of the devices and drop them off at the transfer station where we have a storage trailer to store them. They can be dropped off at the gate house just before you drop off your trash and recyclables. If you need help please give Mike Riley a call or send him a text to arrange pickup of your items. All of the items collected will be shipped to Africa to help disabled individuals gain mobility that they never have had.

Items that we are looking to collect include: Leg Braces; Crutches; Forearm Crutches; Walkers; Wheelchairs; Prosthetic Limbs; Baby Joggers and Strollers and Bike Trailers. No Commodes or any other type of Personal Hygiene Equipment.

(Also No Electric Wheelchairs or other types of devices.)
