Booth size is 10' across and 8' deep. Booths may be combined in multiple configurations. Booths are "Pipe and Drape" style—this year's colors of draping will be alternating green and white, same as 2019.

Each booth will be equipped with an electrical outlet 15 amp max. Additional power above 15 amp may be available with advance notice. You may plug your devices into outlet(s) provided at your booth.

Each booth will have a temporary sign for set up purposes provided by SER expo services. This is intended for setup and locating. It is recommended that you provide your own professional sign. Exhibitors are responsible for their own tables, chairs, etc. Additional booth equipment may be arranged directly with *SER exhibition services* should your needs require additional furniture or display equipment. (see below)

We do not provide extension cords, tools, tape or set up materials. *SER exposition services* will offer table, chair and show related equipment rental, should you require. You may contact them through our web site link or at www.serexpo.com.

Booth locations are not guaranteed.
