

About SPARK

Successfully Preparing
Amazing Resilient Kids

Creating Pathways of Success for Teens & Young Adults

SPARK is a community-driven initiative of the Rotary Club of Harwich-Dennis, dedicated to supporting teens and young adults in across the Cape as they navigate high school and prepare for life beyond graduation. In partnership with local schools, foster families, DCF, and community organizations, SPARK helps meet essential needs in areas such as transportation, housing, education, mentorship, and workforce readiness. By identifying individual challenges and connecting youth with vital resources, SPARK empowers the next generation to build confident, capable futures.

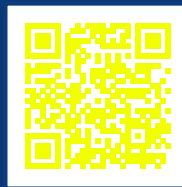

A community initiative by the Harwich Dennis Rotary Club supporting students through mentorship, skills development, and access to resources.
