Successfully Preparing Awesome Resilient Kids

Creating Pathways of Success for Teens & Young Adults

SPARK is an effort within the Rotary Club of Harwich-Dennis which offers support to teens and young adults within the Harwich-Dennis community who need services or assistance while in High School or who are transitioning to College or the Workforce. We work with the Department of Children and Families of Cape Cod, Foster Parents, First Responders, Local Community Organizations as well as the Guidance Departments at Dennis-Yarmouth Regional High School, Monomoy High School and Cape Cod Technical High School to identify the needs of our local youth and young adults, helps facilitate meeting those needs, in order for them to transition from High School to College or the Workforce.
