charitable organization
Post Office Box 596
Middleboro, MA 02346**

January 1, 2024

Dear Contributor:

The Middleboro Rotary Club will hold its annual Cable TV & Online Auction to raise funds for our charitable and educational activities on Sunday, March 10th. This fundraising event will be broadcast on local cable access TV channels in Middleboro and Lakeville and streamed live to viewers everywhere. Actual bidding will be done online starting February 26th, so viewers will see your donation and hear about your business for several weeks before the auction.

Many local businesses donate to this auction to show their support for community service and the efforts of Rotary. The auction will promote your business by presenting your donation and hopefully bring you new customers.

We welcome donations of merchandise or gift certificates to include in the auction, the more items we have for the auction the better chance we have of reaching our fundraising goal of \$10,000. We also welcome auction sponsors – please see the attached summary of sponsorship options. All sponsorship levels include an ad spot on our online auction site and inclusion on any printed materials.

Proceeds from this auction will support our scholarship and tutoring programs for local schools, as well as other community projects we do throughout the year. In addition, Rotary International sponsors “Polio Plus,” a successful international project to end polio worldwide. For tax purposes, The Middleboro Rotary Charitable and Educational Foundation enjoys exemption under section 501(c)(3) status determined by the IRS, Tax ID 04-3235276.

Warm regards,

A handwritten signature in blue ink that reads "Cherie B. Kostant".

Robert H. Saquet, Auction Chairman
Cherie B. Kostant, Club and CEF Secretary
