Dear Contributor:

The Rotary Club of Middleboro will hold our annual Live & Online Auction on Saturday, March 22nd, to raise funds for our charitable and educational activities. This fundraising event will be broadcast on local cable access TV channels in Middleboro and Lakeville and streamed live to viewers everywhere on the MCCAM website and Facebook page. All bidding will be done online starting March 7th, so viewers will see your donation and hear about your business for several weeks before the auction.

Many local businesses donate to this auction to show their support for community service and the efforts of Rotary. The auction will promote your business by presenting your donation on our Facebook page in the weeks prior to the auction, as well as on our auction site and during our live broadcast.

We welcome donations of merchandise or gift certificates to include in the auction, as well as auction sponsors – please see the enclosed summary of sponsorship opportunities. Donors and sponsors whose contribution is valued at \$100 or more will have the opportunity to record a short video reel that we will post to our Facebook page and that will also be aired on MCCAM in the weeks approaching the auction

Proceeds from this auction will support our scholarship and tutoring programs for local schools, as well as other community projects we do throughout the year. All donations and sponsorships are tax exempt as the Rotary Club of Middleboro Charitable and Educational Foundation is a 501(c)(3) charitable organization, tax ID 04-3235276.

If you have any questions or are interested in sponsorship or other donation, you can contact me or Robert Saquet, owner of Egger's Furniture and lifelong Rotarian.

Warm regards,
