Scholarships Application Form for Students Not Attending Hillsborough High School

INSTRUCTIONS:

This form is to be used by Hillsborough Township students who attend Somerset Vocational Technical School or another high school (e.g., Immaculata) outside the township. Hillsborough High School students DO NOT use this form. They need to contact the school Counseling Department for the application process.

The Rotary Club plans to award two scholarships (\$2,000 each), one to a Somerset Vo-Tech student and one to a student from another high school.

The application is in two parts: the form below and an essay. Application instructions and forms are also available on the Hillsborough Rotary Club website (<https://portal.clubrunner.ca/4875/> under Forms & Documents).

Please write a one-page, single-spaced essay on your involvement in, and contribution to, your local community. Indicate how your community service has impacted those around you, how this service has helped you grow as a person, and how you plan to engage in community service during your post-high school education or training. Give the essay a title and include your name, email address, student ID#, and the name of your school at the top of the page.

Completed applications must be e-mailed to the Hillsborough Rotary Club at rotaryclubhboro@gmail.com . Paper applications will not be accepted.

The application deadline is April 30, 2022. Scholarship winners, and their school(s). will be notified by email by mid-May and the students will be invited to an award ceremony in Hillsborough later in the summer.

If you have any questions, please email Amrik Sahota (Scholarship Committee Chair) at sahotaam8690@gmail.com.
