Mission:

To raise awareness and money for the Rotary International cause of providing clean drinking water to people who do not have it through the Blue Planet Network. For less than \$1 per person we can deliver clean drinking water for life, and our goal is to help almost 10,000 people.

Event Details:

Bowl for water is meant to be a fun event for kids, adults and families. We want it to be a unique fundraiser that people look forward to for the first year and beyond. We will create an exciting environment that everyone will want to attend and participate in. We have created a wonderful following in our area and we will use that as draw to bring people in to host a cool event. Good food, refreshments, live DJ and concluding with party in the bar with a live band, we are sure to accomplish a spectacular event.

Non-Bowling

So we do not limit our attendance to 320, we will offer admittance into the bowling center for \$5 just to attend. All of the money will go to the cause, and it will be a way to build up traffic for donations and food/beverage consumption. There is also about 30% of the population who does not bowl at all, so we do not want to exclude these people.
