Dear Rotarians, Friends & Family:

The overwhelming response we have received from our May 22, 2011 Tornado in Joplin has been more than words can describe. From the phone calls, food, clothing items, monetary contributions and individuals driving many miles to come help out any way they can.

God is good and every day we are reminded of this. A story that was told in one of our fellow Rotarian's Sunday school class last Sunday was one of the best we have heard. "A lady in town had her Grand-parents bible sitting on a stand in her living room prior to the Tornado. When she got word that the Tornado was headed our way she went to the closet. When it was all said and done, she walked out of the closet only to find her bible sitting on the stand, everything else including the home was gone. She walked over to the bible and found it opened at Leviticus 8:5 where water had dripped on verse 5 causing it to stand out."

Take a moment, open your bibles and read this verse. With this you will understand why people around the world have pulled together to help the Joplin community after this horrific disaster and the Joplin Rotary Clubs thank each and every one of you. God Bless and May God Be with you always!

Moses said to the assembly, "This is what the LORD has commanded to be done."

Thank you,
