ROTARY CLUB OF WEST ALLIS
DISTRICT 6270 • CHARTER ESTABLISHED 1927
Issued by the Rotary Club of West Allis, Charter 2543
www.westallisrotary.org

THE FOUR WAY TEST OF THE THINGS WE THINK, SAY OR DO

Is it the truth? Is it fair to all concerned? Will it build goodwill and better friendships? Will it be beneficial to all concerned?

Week of April 27th 2023

IMAGINE
ROTARY

WELCOME TO ROTARY!

We are neighbors, community leaders, & global citizens uniting for the common good. With you, we can accomplish more!

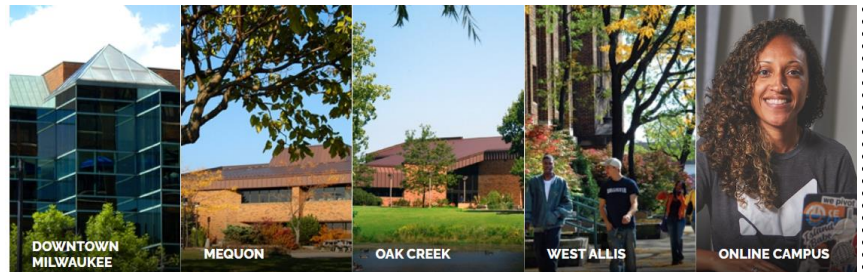

Reasons to love Rotary right now ... Reason #248: Rotarians are on the go!

Past Weeks Speakers:

April 6th, our tour of MATC was led by Rich Busalacchi, West Allis Executive Director. Rich was once a student at MATC-West Allis, which offers associate degree programs (including the state's only accredited Funeral Service program), technical diploma programs and certificate programs.

MILWAUKEE AREA **Technical College**

April 13th, Tabal provided a delicious demonstration of chocolate making for our club. Founded in the summer of 2012 by Dan Bieser, Tabal knows chocolate is more than just a food - it is a medium that brings people together.

April 20th, Dan Devine, Mayor of West Allis, and Katie Stensberg, a consultant, spoke to us about West Allis Living Streets (WALS). Founded in 2020 the program fosters creativity, engages the community, and enhances the aesthetic appearance and image of West Allis through public art. Seven murals have been painted on various buildings.

This Week: April 27th - Development Updates in West Allis, Kevin Haass - Thanks, Jeannette

P.S. Funny stuff 😄: I always say "Morning" instead of "Good Morning" – because if it was a Good Morning, I would be fishing. ♦ I'm so tired of not being a multi-millionaire. ♦ I'm not saying my husband and I are scared of our teen daughter, but we just rock-paper-scissors to see who has to wake her up. ♦ Borrow money from pessimists – they don't expect it back. ♦ The early bird gets the worm, but the second mouse gets the cheese. ♦ When everything is coming your way, you're in the wrong lane. ♦ What happens if you get scared to death twice? ♦ If at first you don't succeed, destroy all evidence that you tried. ♦ A conclusion is the place where you got tired of thinking. ♦ All those who believe in psycho kinesic, raise my hand. ♦ My wife was going through her wardrobe. She said, "Look at this, it still fits me after 25 years." I said, "It's a scarf." 😊
