IMAGINE
ROTARY

WELCOME TO ROTARY!

We are neighbors, community leaders, & global citizens uniting for the common good. With you, we can accomplish more!

Reasons to love Rotary right now ... Reason #253: Rotarians Inspire!

Gaby Moreno returns to Guatemala to inspire children as part of the Imagine Impact Tour

The Grammy-nominated singer-songwriter held a special concert in February in a tiny farming village in her home country of Guatemala. Moreno joined Rotary International President Jennifer Jones to raise awareness about the **Guatemala Literacy Project**, one of the largest grassroots, multi-club, multidistrict projects in Rotary. Said Moreno, "This is the first time that I've been in the field with Rotary. It's been a beautiful experience to see firsthand the work that they're doing, and the impact that it's already had on children."

Last Week: June 22nd – Changing of the Guard – Mason Pooler

Congratulations to Mason Pooler! Last week's changing of the guard was a lovely evening. We had special guests attending (World Affairs students & members of the After-Hours Rotary Club), delicious food and wonderful entertainment (Who's on First? skit by Judy and her brother). We look forward to Mason's ideas and goals for our next year, thank Jeannette for her leadership this past year and feel renewed, recharged, and proud to be Rotarians who value service above self. **Let's Go!!**

This Week: June 29th – Making 200 sandwiches for the Guest House - Thanks, Jeannette

P.S. **Funny stuff** 😄: For global pandemics, wear mask inside. For apocalyptic haze due to wildfires, wear mask outside. Got it. ♦ I used to envy people who could do a cartwheel but now I'm jealous of anyone who can get up off the floor without making a grunting noise and holding onto furniture. ♦ Not yet, Not yet, Not yet, Not yet, Not yet, Eat me now!!! Too late – Avocados ♦ Kids, if you want to make your Mom happy, clean something. Anything. ♦ I tried starting a day without coffee once. My court date is pending. ♦ I can't get out of bed. The blankets have accepted me as one of their own and if I leave now, I might lose their trust. ♦ 14 muscles are activated when you pour a cup of coffee. Fitness is my passion. 😊
