THE FOUR WAY TEST OF THE THINGS WE THINK, SAY OR DO

Is it the truth? Is it fair to all concerned? Will it build goodwill and better friendships? Will it be beneficial to all concerned?

WELCOME TO ROTARY!

We are neighbors, community leaders, & global citizens uniting for the common good. With you, we can accomplish more!

Week of June 20th, 2024

Reasons to love Rotary right now ... Reason #279: Rotarians are fun!

Prior Week: June 6th - Lee Breese, Interact Awards

Congratulations to all the bright and wonderful area students who competed for the 2024 West Allis Rotary Interact Awards. The selection process was challenging. Lee Breese introduced the three winners, who shared some of their plans for life after high school.

Above, this year's Interact award winners:
Miranda (Far Left), Mackinzie (Center) & Zoya (Right).

<u>Last Week:</u> June 13th – Changing of the Guard - A fun evening with perfect weather and great company was the setting for Mason Pooler's Changing of the Guard. Mason demonstrated how to open a bottle of wine with a saber knife. Steve Hook and Beth Leukam (President of the Satellite club) had fun practicing their skills. Delicious food was catered by Double B's. Mason will be serving a second year, with full support & gratitude for his continued leadership. Congratulations & Thank You!

<u>This Week:</u> June 20th - Brenda Merschdorf, Four Way Test Award - Thanks, Mason

P.S. Funny stuff : The inventor of autocorrect died. The funnel will be held tomato. • What kind of music should you listen to while fishing? Something catchy. • What did the pig say on the very hot day? I'm bacon. • Why do fish swim in salt water? Because pepper water would make them sneeze. • Why should you never blame a dolphin for doing anything wrong? Because they don't do it on porpoise. • What is a snail on a boat? A snailor. • Why was the baby ant confused? Because all his uncles were ants! •
