

THE FOUR WAY TEST OF THE THINGS WE THINK, SAY OR DO

Is it the truth? Is it fair to all concerned? Will it build goodwill and better friendships? Will it be beneficial to all concerned?

WELCOME TO ROTARY!

We are neighbors, community leaders, & global citizens uniting for the common good. With you, we can accomplish more!

Week of Aug 15th, 2024

Reasons to love Rotary right now ... Reason #283: **Rotarians welcome you in.**

DO MORE THAN YOU THOUGHT POSSIBLE WITH ROTARY

Rotary is a global network of clubs with 1.4 million members — neighbors, friends, leaders, and problem solvers just like you. We apply our diverse perspectives and collective expertise to support one another and tackle the most persistent issues that our communities face.

JOIN US TO: Form new friendships • Connect with other people of action • Find creative ways to meet community needs • Gain new skills • Do new things • Get involved

Your time, energy, and a passion to improve your world are all you need to get involved with Rotary!

Last Week: Aug 8th - Club Picnic at Malone Park

John Ash served as our auctioneer again this year raising money for our Club foundation.

Gain new skills: Mason Pooler showed John Ash how to cut off the neck of a champagne bottle with a saber knife. Success with first try!

Terry, aka "Lucky", Brandenburg receives the Club's traveling Viking helmet. There was something for everyone at this auction. 😊

This Week: Aug 15th - Music Artists (Part III) w/WI ties - Greg Jenks - Thanks, Mason

P.S. Funny stuff 😊: I am a person who wants to do a lot of things trapped in a body of a person who wants to sleep a lot. ♦ Potatoes make French fries, chips and vodka. It's like the other vegetables aren't even trying. ♦ Nothing refreshes my memory of what I need at the grocery store like coming home from the grocery store. ♦ I feel like I am in season 5 of my life and the writers are just making ridiculous stuff happen to keep it interesting. ♦ Being an adult is a little out of my price range right now. ♦ FASFA be like "I see your parents usually get two toppings on their pizza ... you must not need any aid." ♦ I hired a handy man and gave him a list of things to do. When I got home only items 1, 3 and 5 were done. Turns out he only does odd jobs. 😊
