

THE FOUR WAY TEST OF THE THINGS WE THINK, SAY OR DO

Is it the truth? Is it fair to all concerned? Will it build goodwill and better friendships? Will it be beneficial to all concerned?

WELCOME TO ROTARY!

We are neighbors, community leaders, & global citizens uniting for the common good. With you, we can accomplish more!

P.S. Funny thoughts for today 😊: Whenever I see chocolate, I hear TWO voices in my head. One of them says "Eat the chocolate" and the other one says "You heard her ... Eat the chocolate." ♦ FYI: Marty McFly went back to 1955 from 1985 in "Back to the Future" ... that's like traveling back to 1995 from today! ♦ If Mom can't find it, then it's really lost. ♦ Crappy Diem ... What happens when you seize the wrong day. ♦ Little Red Riding Hood found in critical condition. Paramedics have stabilized her condition, but she's not out of the woods yet. ♦ Sometimes I shock myself with the smart stuff I say or do. Other times, I try to get out of the car with my seatbelt on. 😊

Rotary Minute

The Rotarian Minute is 2

The Rotarian Minute is a project of District 1700, initiated by Jean-Claude Brocart, Rotary Club Toulouse-Ovalie, France. Its goal is to widely disseminate information about the organization and operations of Rotary. The [English edition came out in 2023](#), while the French edition was first published in 2015.

Its format, deliberately reduced, allows the [reading of each of the publications in only 1 minute](#) at the beginning of each meeting. This initiative aims to [keep members, and the broader community informed about the Rotary's activities and its impact worldwide](#).

The Rotary Minute comes in [three versions: Essentials, News, and History](#), allowing readers to choose the content that best suits their interests. All previous editions are available online:
