Last Week: Apr 25th--Micro Finance for women in Haiti-Dorothy Krupa

Co-founded by Jane Rice Radoszewski and Dorothy Krupa, WEBUILD seeks to provide lending and educational support for female business owners who have been working in business for years but do not have a foundation in business fundamentals or access to non-exploitative banking services.

WEBUILD educates women in business strategies ranging from business plan development to budgeting and long-term savings. WE BUILD lends on a group basis, and maps out a payment plan on a group schedule. If the group pays back the loan in full, it may be eligible for a new loan of higher value.
