Week of July 18th 2019

WELCOME TO ROTARY!

We are neighbors, community leaders, & global Citizens uniting for the common good. With you, we can accomplish even more.

Reasons to love Rotary right now Reason #127: **Rotarians are People of Action!**

Rotary and ShelterBox celebrate the power of partnership!

Rotary International recently announced a **three-year partnership renewal with its disaster relief project partner, ShelterBox**. For almost 20 years, this unique humanitarian alliance has supported families with a place to call home after disaster.

First adopted as a millennium project by the Rotary Club of Helston-Lizard in 2000, the support of Rotary members and clubs around the world saw ShelterBox become Rotary's Project Partner in Disaster Relief in 2012. Since then, the partnership has helped transform ShelterBox into **an internationally recognized disaster relief charity, supporting hundreds of thousands of families around the world with emergency shelter after disaster.**

Our support provides shelter that protects families from burning heat, bitter cold, dangerous animals and disease, and so much more. A shelter creates a space where families can have privacy from the rest of the world, where they can feel safety and security in being together.

Last Week: July 11th – Foundation Giving – Steve Affeldt

Steve Affeldt presented a summary of past, present and the future of foundation giving. As of June 30th, the Club Foundation had a net worth of approximately \$150,000. Over this past year, **we have provided monetary support to activities and programs that positively impact our local community, encourage vocational development and assist International causes.** The board currently has an opening. If interested, please contact Steve Affeldt, Wayne Tillmann, Sue Zwitter, Judy Shabman, Don Drecktrah, or Sherry Saiki.
