THE FOUR WAY TEST OF THE THINGS WE THINK, SAY OR DO

Is it the truth? Is it fair to all concerned? Will it build goodwill and better friendships? Will it be beneficial to all concerned?

Week of August 22nd 2019

WELCOME TO ROTARY!

We are neighbors, community leaders, & global Citizens uniting for the common good. With you, we can accomplish even more.

Reasons to love Rotary right now Reason #130: **Rotarians = service before self**

Welcome 6270 District Governor, Steen Sanderhoff: Steen became a member of The Rotary Club of Racine in 1988. He served as Club President from 1995-96 and the following two years served as President of the Club Foundation. Steen served as Assistant District Governor for District 6270 from 1997-2000 and continued as an Executive board member and District Foundation Chair. Since 1997, he has also been a member of the Matching Grant, Global Grant and International Service Committees.

Steen grew up in Copenhagen, Denmark. He likes to travel, canoe in the wilderness and enjoys the performing / visual arts. He is married to "patient" Janice and has two children. Steen is a retired CEO for an International Freight Forwarding Company.

Last Week: Aug 15th – Distinguished Young Women

They sang, danced, & played instruments – eight talented ladies shared with our club a sampling of their competition performances as part of Distinguished Young Women (DYW), a program offering Juniors and Seniors in high schools across the U.S. the chance to win scholarships and learn Life Skills.

The DYW program evaluates participants on: Scholastics (25%), Interview (25%), Talent (20%), Fitness (15%), and Self-Expression (15%). Local program winners, advance to state level and then compete at National Finals held in Alabama each June.

P.S. A few funny jokes 😊: What do I know about bonsai trees? Very little. ♦ What is the difference between a cat and a comma? A cat has claws at the end of paws; A comma is a pause at the end of a clause. ♦ My grandpa always said, "When one door closes, another opens." He was a good man, but a lousy cabinet maker. ♦ What do you call a priest who becomes a lawyer? A father in law. ♦ Today I learned that humans eat more bananas than monkeys. I can't remember the last time I ate a monkey. ♦ How many mystery writers does it take to change a light bulb? Two. One to change the bulb, and the other to give it an unexpected twist at the end. ♦ What's blue and doesn't weigh very much? Light blue. 😊
