ROTARY CLUB OF WEST ALLIS
DISTRICT 6270 • CHARTER ESTABLISHED 1927
Issued by the Rotary Club of West Allis, Charter 2543
www.westallisrotary.org

THE FOUR WAY TEST OF THE THINGS WE THINK, SAY OR DO

Is it the truth? Is it fair to all concerned? Will it build goodwill and better friendships? Will it be beneficial to all concerned?

Week of 5.3.2018

ROTARY:
MAKING A
DIFFERENCE

WELCOME TO ROTARY!

We are neighbors, community leaders, and global citizens uniting for the common good. With you, we can accomplish even more.

Reasons to love Rotary right now Reason #78: **Rotary gets things done!**

Former First Lady of the United States Laura Bush, an **advocate for literacy, education, and women's rights**, will speak at the 2018 Rotary Convention in Toronto this June. For decades Mrs. Bush has been instrumental at national & global levels via her work and partnerships with key organizations – including the red dress project which raises awareness among women about their risk for heart disease.

West Allis
West Milwaukee
Community Coalition

Last Week: April 26th – Coalition, WAWM CAD

The **West Allis-West Milwaukee Community Coalition** is a diverse group of concerned citizens, organizations and community stakeholders working together to support healthy lifestyles. Their mission: provide support to the West Allis-West Milwaukee community to **raise healthy, drug-free children**.

Elaine and Kristen, students from WA Hale, along with their coordinator, Tammy Molter, led our group through a Jeopardy-like game of facts about Alcohol and Drug Abuse. Over the past few weeks, similar **presentations have been completed by students** from Hale, Central and Dottke to 7th graders in the WA school district.

From their website, <http://www.wawmcc.org/youth>, the following are some **tips by teens for teens** (or anyone else!) for helping navigate the roller coaster ups and downs of life:

- Get enough sleep every night (napping during class doesn't count)
- Eat at least five fruits and vegetables everyday (Starbursts are not considered a fruit)
- Limit the amount of sugar and salt in your diet (find substitutes for soda and chips)
- Avoid cigarettes and other tobacco products (like the plague)
- Refuse to consume alcohol and drugs (they really don't help in the long run)
- Exercise at least thirty minutes a day (dance wildly and encourage someone to join you)
- Brush and floss your teeth at least twice a day (people sometimes won't tell you what is stuck there)
- See a dentist and doctor if you feel something is wrong (trust your intuition)
- Laugh at least 15 times per day (with yourself, not at yourself)
- Ask family and friends for help and support (when the roller coaster is just too much to handle)

Pedro of WA Dottke Interact announces club blood drive

This Week: May 3rd – Shriners Hospital for Children – Dave Bowen

Thank you, Terese Beauchamp

P.S. Super Silly Riddles ☺: What comes after a tuba? A *three*-ba ♦ Why did the shark spit out the clown? He tasted funny ♦ What do you call a flower shop on fire? A florist fire ♦ What do you call a fish without an eye? A *fish* ♦ What's yellow on the outside and gray on the inside? A school bus full of elephants ♦ What did the zero say to the eight? "Nice belt!" ♦ Why can't Friday beat up Saturday? Because Friday is a weak day ♦ Why did nineteen kids go to the movie? Because the sign out front said "Under Eighteen Not Admitted" ♦ Which vegetables have rhythm? Beets ☺

Guests & Visitors

Catherine of WA Central Interact shares future club projects

Former club member Karen Jasnowski visits from Florida
