Is it the truth? Is it fair to all concerned? Will it build goodwill and better friendships? Will it be beneficial to all concerned?

ROTARY:  
MAKING A  
DIFFERENCE

## WELCOME TO ROTARY!

We are neighbors, community leaders, and global citizens uniting for the common good. With you, we can accomplish even more.

Reasons to love Rotary right now .... Reason #85: **Rotary is Real Change**

**Prior Week:** June 14<sup>th</sup> – Water around the World, Pastor Danny Thomas

Danny Thomas, **Water for the World NLA**, President and Founder shared his story and passion. Next Leadership Association (NLA) operates to connect, communicate & counsel ministers and ministries in over 1000 locations – celebrating & supporting their God-instilled gifts.

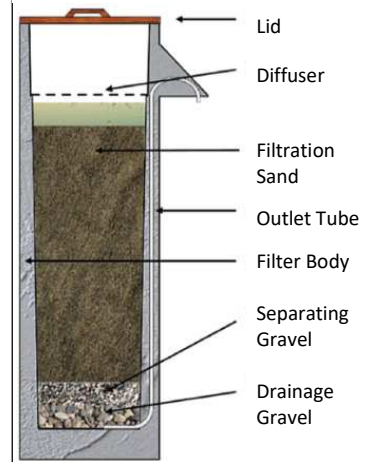

**THE CAUSE...**Every 90 seconds a child dies from a water-related disease. The water crisis is the #1 global risk based on impact to society.

**The HOPE...**Studies have shown the Biosand filter can remove more than 90% of bacteria and 100% of parasites. BioSand Filters eliminated cholera from sickening 3,800 children in 26 orphanages in Goma, Congo DRC.

**The SOLUTION...**The Biosand filtration system is about the size of an office water cooler. It removes contaminants and disease. It produces tasteless, clear in color, odorless and safe for drinking. It system lasts up to 35 years. <http://www.nextleader.org/water.html>
