# California Firefighters Memorial in Memorial Park in Sacramento

*Each year since 2002, the Annual California Firefighters Memorial Ceremony has honored those firefighters who have lost their lives in the line of duty or from a job-related illness. The solemn remembrance is steeped in the traditions of the firehouse and hundreds of firefighters, family members and grateful citizens gather in the heart of California's capital, to pay tribute to those who paid the ultimate price to keep us safe.*

*The ceremony features a moving uniformed firefighter procession, personal tributes, and the presentation of a U.S. flag to the families of those whose names are newly added to the Memorial Wall. The ceremony has become a touchstone for the profession, and a chance for firefighters, families, and ordinary citizens to grieve and remember together. You can see videos of past ceremonies*
