

Dear Friends,

As a member of the Rotary Club of Livermore Valley, I am honored to be part of an organization that upholds values of integrity and fosters friendships, while striving to enhance empathy, goodwill, and peace on both local and global scales. Through our grant initiatives, our group of business, professional, and community leaders is dedicated to collaborating with local and international nonprofits and schools that create concrete benefits for youth, seniors, and underserved populations.

Our upcoming 4th Annual Chili Cook Off at Carnegie Park on Saturday, October 5, 2024, stands as our primary fundraising event of the year. To maintain and expand the impact of our grant programs on the community, we are actively seeking sponsorships and donations. Rest assured, 100% of your donation will directly contribute to positively impacting lives.

Your support in expanding our reach is greatly appreciated. By working together, we can help transform the lives of individuals in our local community and beyond, paving the way for a brighter future. In the past year, our club has supported the charitable or educational work of:

Ambassadors of Compassion

Partners for Change

Culinary Angels

Shepherd's Gate

Experimental Aircraft Association

SPARC

Granada High Safe & Sober Grad Night

System Overload Explorer Post 987

Monthly Miracles
