- How to Communicate with Professionalism and Diplomacy

# RAVE REVIEWS

*An excellent trainer who has awakened new energy in our staff.*

- Dara DuPont MS, HS-BCP

*Dr. Foster made several personal development presentations to the office staff, during which she was organized, knowledgeable about the subject matter, and extremely well spoken. She communicates well both orally and in writing.*

- Nakesha Gillis, Esq.

*Before taking the Leadership training workshop, I struggled with classroom management as a result of this training I am able to understand my role and manage my class more effectively. I would recommend this training to anyone who wants to become an effective leader.*

- Tasha Crafton

*I went to EME broken when it came to business planning. After the Profit Power Session, I am going forward with more confidence.*

- Nekisha Haynes

*I really enjoyed Juanita's training because it provided a way for me to learn more about my team.*

- Auanita Corley
