

Who We Are

We are neighbors, friends, and community leaders who come together to create positive, lasting change in the Dallas community and around the world. Rotary Club of Dallas Uptown works to address our local communities' toughest challenges

We also join efforts with Rotary Clubs around the world providing support in six areas: promoting peace, preventing diseases, providing access to clean water and sanitation, enhancing maternal and child health, improving basic education and literacy, and helping communities develop. We are especially dedicated to ending polio in our lifetimes. Rotary members have persevered in this fight since 1979 and have now helped eradicate polio in all but three countries worldwide.
