Rotary Facts:

In 1905 Harris organized the first Rotary club "in fellowship and friendship" with three business associates, Silvester Schele, Gustavus Loehr and Hiram Shorey. His initial goal was to create a club of professional and businessmen for friendship and fellowship. Early on, Harris realized that Rotary needed a greater purpose. While Harris served as president of the Chicago Rotary Club in 1907, the club initiated its first public service project, the construction of public toilets in Chicago. This step transformed Rotary into the world's first service club.

5 Rotary Firsts:

- The first Rotary club meeting was in Chicago, Illinois, on February 23, 1905.
- The first regular luncheon meetings were in Oakland, California, chartered in 1909.
- The first Rotary convention was in Chicago in 1910.
- The first Rotary club outside of North America was chartered in Dublin, Ireland, in 1911.
- The first Rotary club in Northern California was chartered in Eureka in 1923.
