### *President's Message*

We talk a lot in our club about Rotary International's focus on global health and particularly about polio eradication. I was looking at some video clips on My Rotary today, just to save one of them on our club laptop in case we have a speaker cancel at the last minute. Those videos reminded me that Rotary's causes are much broader, and we rarely talk about the others.

When we pay our club dues and the club pays its international dues, we are supporting these SIX causes:

- \*Promoting Peace
- \*Fighting Disease
- \*Providing Clean Water, Sanitation and Hygiene
- \*Saving Mothers and Children
- \*Supporting Education
- \*Growing Local Economies

So, YOU are making a difference in the world. Can you believe that right now, today, there are **\*65 million\*** people displaced by armed conflict throughout the world? A friend of mine regularly posts on Facebook about a medical mission in Syria that is regularly bombarded by

chemical weapons as they struggle to keep children alive in bombed-out pediatric hospitals. Can you even imagine?

Let's give a moment's thought to how fortunate we are in this country to not have fighting on our soil since the Civil War. Someone said that we Rotarians should quit thinking of ourselves as a loosely-connected group of local service organizations, but as a global movement for peace.

It can start with kindness to each other, and to everyone we interact with during our day. Some of you exemplify that goal. But I could use that reminder today (and many others), how about you.

In peace,  
Sherie
