President's Message

Dear Potential Rotary Member:

On behalf of the Rotary Club of Massillon and all of our club members, I would like to extend an invitation to you to join Rotary as a leader in our business community. While you always have the option to join as an individual member, our club has recently approved a corporate membership option which allows your business/organization to join as a member. As a corporate member you will be able to designate one or more individuals from your organization who you would like to attend club meetings and events.

Rotary was founded in 1905 in Chicago and has grown to a global network of more than 1.2 million volunteers, problem-solvers and leaders who take action and create lasting change across the globe, in our own community, and within ourselves. Locally, the Rotary Club of Massillon was founded in 1917 and is celebrating its 103rd year of "Service Above Self" in 2020.

Welcome Back

Rotarians

greater Western Stark County community by promoting the growth of local economies, supporting education, health and wellness, providing humanitarian service, and supporting each other professionally. Right now, more than any time in recent memory, it is vital for our community to come together in support of one another.

To give you an example of the impact our club has had locally, we have lead and supported projects and area services such as the Campbell Walking Path, The Boys and Girls Club of Massillon, Habitat for Humanity, the Battered Women’s Shelter, the Massillon Public Library, Aaron Seesan Memorial Park, Coats for Kids, Massillon Parks and Recreation, the YMCA, the Salvation Army, Impact Massillon, and so many others. In addition, our club provides thousands of dollars each year for student scholarships, delivers food for Meals on Wheels and sponsors various health fairs.

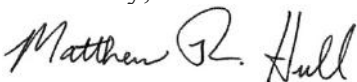

As a community leader and member of the Rotary Club of Massillon you will have the opportunity to make a difference in the lives of others while at the same time developing skills that can easily be applied to your business and career. If that isn’t enough, you will also have the opportunity to network with like-minded professionals and build lifelong relationships and connections.

I hope that you will consider joining the Rotary Club of Massillon as a corporate member.

Thank you for all you do for our community and for helping to keep Massillon and Western Stark County a better place to live and work.

Should you desire to join Rotary, or in the event you have additional questions or would like to discuss the benefits of joining Rotary further, please do not hesitate to contact me at your convenience at the below email address or number. Alternatively, please feel free to reach out to any of our club members, some of which I have listed below for your convenience.

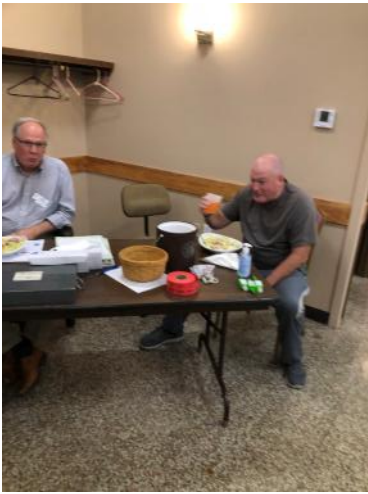

Sincerely,

Matthew Hull
