NOVEMBER 2021

Relationships

I knew before I was selected to be Governor for RI District 6650, I needed to be prepared, as best as one can be, for challenge and opportunity that affect our district and clubs now and for our future. As Governor, I have had the good fortune to meet with so many Rotarians and friends of Rotary, small and large business owners and leaders, civic organizations, educational communities, and local, state, and federal elected officials on what our Rotary community needs and how and why working together is crucial so we can be as impactful as possible.

Filling the role as Governor has allowed me to continue what I endeavored throughout my career in law enforcement, community service and for family: to development and maintain that relationships matter. If we have good relationships, we develop loyalty, trust, commitment, and respect, and then we can understand what challenges are and help solve problems. I believe building good relationships allows us to attract new people to Rotary, their families, and businesses, encourages public / private partnerships, and helps our service communities move forward in an ever-changing world.

In Colin Powell's book, *It Worked for Me, In Life and Leadership*, he referenced a saying from Admiral Hyman G. Rickover, the father of nuclear Navy, during a promotional ritual. The words are: "Organizations don't get things done. Plans and programs don't get things done. Only people get things done. Organizations, plans, and programs either help or hinder people." Colin Powell said, "A life is about its events; it's about challenges met and overcome - or not; it's about how we touch and are touched by the people we meet. It's all about the people." Rotary does just that—we Serve to Change Lives. Relationships matter.

Have a safe and enjoyable thanksgiving.

Thank you.
Steve

EVERY ROTARIAN EVERY YEAR

November is RI Foundation Month...

Our Rotary Foundation dollars are at work making meaningful change.

We ask our fellow Rotarians to consider supporting The Rotary Foundation not only during Foundation month in November and also throughout the year. Educate your club about the meaning and impact of D6650 giving! Here are some ways to get the message out about how our members about all the possibilities of what Rotarians can accomplish:

CREATE YOUR ROTARY LEGACY...

- You've Got Mail! – Paul Harris Fellow Challenge. November is Foundation Month, and you will receive mail from the D6650 Foundation regarding the Paul Harris Fellow challenge! Please check your snail mailbox. It's fun. It's easy. Find creative ways for your club to join in.
- Use Foundation Recognition Points.

DRFC Linda Ferguson will assist you with the form needed to transfer points, or if you have questions regarding your personal donor history report and recognition points.

Linda Ferguson, Rotary Club of Alliance [330.206.4899](tel:330.206.4899) or lfergason@hotmail.com.

1. Foundation recognition points are awarded to donors who contribute to The Rotary Foundation through the Annual Fund or PolioPlus, or who contribute to sponsorship of a Foundation grant.
2. Donors receive one recognition point for every U.S. dollar contributed to these funds. Contributions to the Endowment Fund are not eligible.
3. Donors can transfer Foundation recognition points to others to help them qualify as a Paul Harris Fellow or Multiple Paul Harris Fellow.
4. Foundation recognition points belong to the original donor until the donor's death, unless the points are transferred, or until the donor uses them (the surviving spouse of a Major Donor may also use the points).
5. How can you transfer Foundation recognition points? A minimum of 100 Foundation recognition points must be transferred at a time, and you must complete and sign the Recognition and Transfer Request. The points may not be transferred from individuals to a club or district.
 - Individual donors are the only ones authorized to transfer recognition points from their individual account.
 - Club presidents are the only ones authorized to transfer recognition points from a club account.
6. Clubs or Districts can actually accumulate Foundation recognition points. Clubs can view their recognition points in the Club Recognition Summary. Districts' Foundation recognition points are shown in the **Donor History Report**.
