The April average percentage weekly attendance by active members was 50%.

TREASURER'S REPORT:

Mr. Leffler circulated the Accounts Aging Report for the past few months and commented on the status of two former members and three current members who are significantly behind in their financial obligations to the club.

Mr. Leffler asked the Board to consider retiring the debts of Dr. Tony Perry and Scott Schnabel, both of which he considered to be unrecoverable.

Upon a motion by Nutter and a second by Mr. Loxley, the Board voted to retire the debt of Dr. Tony Perry, with one vote in opposition.

PROGRAMS UPDATE:

PRESIDENT'S REPORT:

Ms. Schumacher reported that she had completed her research on the SMART project and that she had concluded that we should limit our portion of the project to the distribution of collection bottles for unused medical drugs. The SMART Committee will meet May 12th. She outlined a plan to move forward with this project, and reminded the Board that there is a grant fund to pay for the project. A discussion followed on how best to promote this project in the community.

President Hartman reported that Engravers Gallery & Signs can make the Rotary signs that we wish to display at various entrances to Massillon. He suggested blue signs with white lettering and that the signs should be reflective. The final design will need to be approved by the Board of Directors.
