**ROTARY CLUB OF MASSILLON
BOARD OF DIRECTORS MEETING MINUTES
MARCH 2, 2021**

The Board of Directors met at Kozmo's Grille on Tuesday, March 2, 2021. The following members were present: Joe Logan, Todd Loxley, Tom Jingo, Kathy Shultz, Dr. Bill Leffler, Chad Hartman, Keith Nutter, Michelle, Hartman, Matt Hull and Daniel, Swartz. The minutes of the February 2, 2021 Board meeting were presented for approval. Upon a motion by Mrs. Hartman and a second by Mrs. Shultz, the minutes were approved, as presented.

SECRETARY'S REPORT:

Mr. Jingo presented the membership application of Jennifer Warner, who is the Mentor Development Coordinator of the Legacy Project of Stark. Mrs. Warner resides in Massillon, and her sponsor is Michelle Hartman. Upon a motion by Mr. Loxley and a second by Mrs. Hartman, the Board approved the presentation of Mrs. Warner's application to the club membership.

Mr. Jingo advised the Board that the club's active membership had recently dropped to 45 but with the coming addition of several new members, we should be back to around 50 soon.

CLUB SERVICE:

Mrs. Hartman reported that the Purple Bag Project for Domestic Violence will begin in June. For the Support Local Cards fundraising project, 20-25 emails have been sent out, with responses from four local businesses.

MEMBERSHIP:

Due to her recent job change, Debbie Busby will require a new member badge with her current classification inscribed.

MASSILLON ROTARY FOUNDATION:

Mr. Logan announced that the Foundation's next Board meeting is scheduled for March 11th.

PROGRAMS:

We will begin moving the club's files and supplies to St. George Greek Orthodox Church on March 4th. We have been provided a storage area at the church.

OLD BUSINESS:

Members are encouraged to provide Bill Leffler with brief personal bios, with a picture, that will be used in the club newsletter to introduce current members to new members.

NEW BUSINESS:

President Hull will meet with the Canton Rotary president at the Massillon BW3 patio for a podcast at 3:30pm on April 5th.

The Board discussed having another service project at Seesan Memorial Park sometime this Spring.

NEXT MEETING:

The next regularly scheduled meeting of the Board of Directors is Tuesday, April 6th, at 11:30am, at Kozmo's Grille.

ADJOURNMENT:

Upon a motion duly made, seconded and unanimously carried, the meeting was adjourned.

Respectfully submitted by,
Thomas D. Jingo
Club Secretary

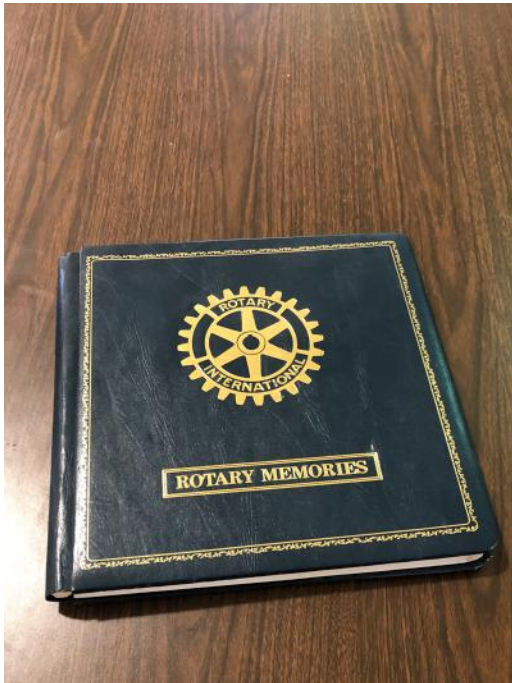

DISTRICT GOVERNOR'S CORNER - APRIL 2021

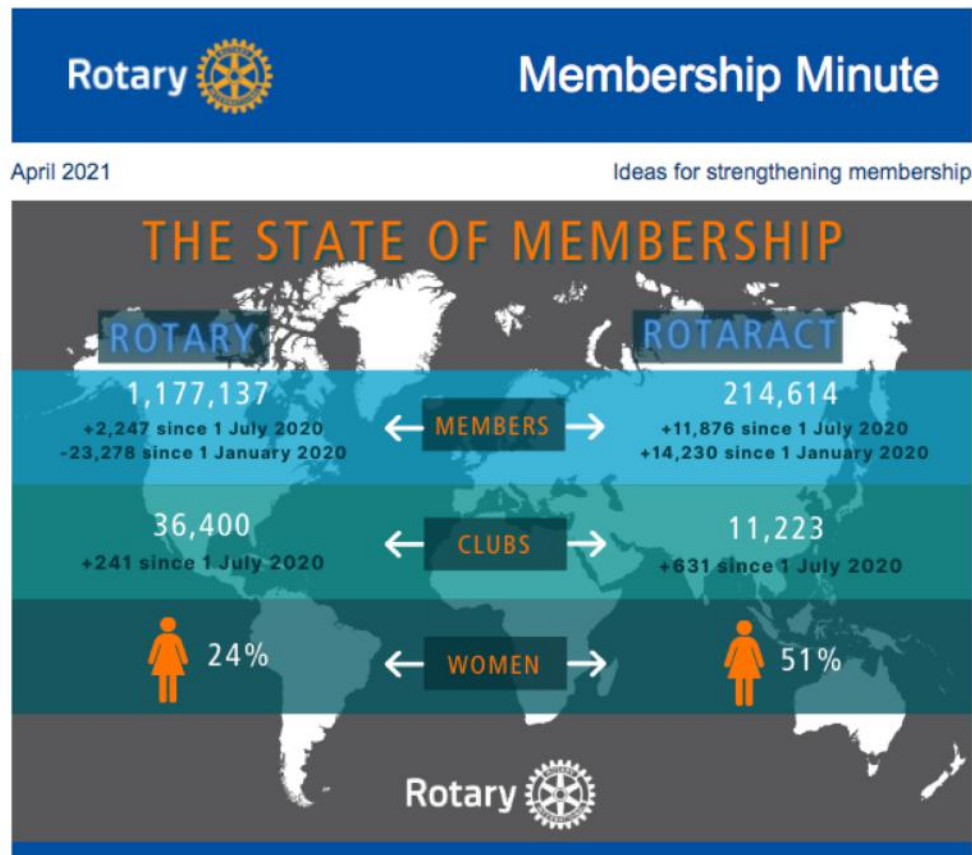

This month I would like to highlight a group of people who have had a really hard year. I have visited many clubs on Zoom. I have visited clubs in outdoor pavilions. I have helped with projects because that was the only way the club was meeting. I have met with clubs that were having meetings in person and on Zoom at the same time. In addition, clubs have had to change their fundraising efforts in a myriad of ways. This has all happened in a year when the need in our communities is greater than ever. As always, Rotary Clubs around the district have answered the call.

The responsibility for most of this falls on club presidents. The 2020-2021 Club Presidents have been the backbone of this District throughout the pandemic. They have pivoted and take long shots more often than a championship basketball team. They have had to make alternate plans for meeting times and places. They have had to learn new skills in technology so that clubs can have Zoom meetings or have a in person meetings with Zoom capacity. They have had to find programs. They have had to find new ways of raising funds. They have had to spend endless hours in Zoom meetings with District leaders. No matter what we ask of them, they prove that Rotarians will adapt to anything as long as they have the opportunity to serve.

I am so very proud of the 2020-2021 Club Presidents that I want to salute them as Unsung Heroes. If you get the chance, give your club president a pat on the back, a tip of the hat, or round of applause. They deserve a big Rotary "thank you" from the District as well as their clubs.

Paul Salvino, speaking about the state of the school district and Covid-19
