President's Message

Greetings, Massillon Rotarians!

Behind the scenes, we have so much happening, and I love that we have so many ways of communicating. Thanks again to Bill Leffler for coordinating this newsletter.

I have another "Save the Date" for you. When District 2 Rotary presidents met for breakfast last week, those attending decided that we would hold a joint event on the evening of Wednesday November 15 in recognition of Rotary Foundation month.

The 1 + 1 event will celebrate Rotary International Foundation's 101st anniversary, showcase the work our local clubs have accomplished utilizing donations from the Foundation and recognize those who have donated at the Paul Harris level and beyond. I think they are going to have each club set up a table showcasing projects we've done in the past with RI Foundation money, so I'll need help with identifying that.

October Speakers

10/5 - Richard Regula & Ron Ponder

10/12 - Joe Trevino - OH
Department of Veteran Services

10/19 - Sammy Kay

10/27 - Joint meeting with
Canton Rotary AT Canton"

Happy Birthday!

The club presidents from Jackson and Plain clubs are finalizing details including time, location and cost, but I wanted to make sure you reserve the date.

Speaking of displays, hasn't Dan Swartz done a great job as Archivist putting together the display case? He didn't know he was getting drug into this project, when he expected to be going through old paperwork. I really appreciate his flexibility, since now he's investigating corkboard to line the cabinet doors. "Other duties as assigned," am I right?

By now you've heard that our local Massillon Rotary Foundation has provided all the funding for a backpack food program at Whittier and Gorrell schools (Franklin already had such a program.) These programs send food home for the weekend with students identified as being at risk for hunger. Children get free breakfast and lunch at school, since our community is over a certain percentage of poverty, but there might not be enough for the days they aren't in school. Far from just being a "throw money at the problem" event, this partnership will open up a service opportunity for club members to help fill the backpacks.

And that's what it's all about, getting to know each other better as we SERVE together. Bless you all!
