Service Opportunities

1- MEALS ON WHEELS

Please let me know if you can deliver our Meals on Wheels route on the following dates:

August 20 September 3

Here is some information to help you decide!

When you arrive to MOW office on Nave Road, you get the cooler bags of hot and cold food and an iPad. The iPad provides turn by turn directions to the homes on the route, the instructions for delivering meals and a place to sign off that the meal was delivered. When I did the route in July, it took about an hour to deliver the meals and then approximately 15 minutes to and from the MOW office to the route start and end for a total time of 1.5 - 2 hours of community service! If you have never done it before and would like to have someone go with you the first time, please let me know and I will try to pair you up!
