

WOOSTER AND SMITHVILLE AREA PARADE OF FLAGS

Sponsored by Wooster Rotary Club

Please have orders in no later than: December 31, 2017

Dear Flag Subscriber:

Thank you for supporting the Rotary Parade of Flags Program. The ninth year ended with over 2,000 flags flying high displaying patriotism, community pride, and a tribute to our military. To date over \$122,500 has been earned by local non-profit groups by placing the flags. The groups include Boy Scouts, Girl Scouts, 4H Clubs, Wee Care Preschool, Lions Club, and many school groups.

In addition, we have over 100 flags out as a tribute to our country in various locations like the school buildings, municipal buildings, non-profit buildings, Wooster cemetery, and entrances to the city.

The program also supports Rotarian initiatives including high school scholarships, Veteran projects, literacy programs, community projects, and the student-exchange program.

The 2018 renewal rate is \$35 for all five holidays. We welcome multiple year renewals to save volunteer time or use pay pal at www.woosterrotary.org. Thank you again for participating in the Wooster-Smithville Parade of Flags program.

Sincerely,

Susan Marlar & Paul Williams
