One day, these oaks will be the giant landmarks of Webster Groves. Select a location that will add shade and character to your neighborhood and streets. We recommend planting at least 10 to 20 feet away from the street, driveway, sidewalks, home, or another tree.

Payment of \$65 per tree will be collected with pickup. Cash, Check, or Charge.

Descriptions of Available Oak Species

(Source "*Trees Of Missouri*" by Don Kurz)

1. Black Oak (*Quercus velutina*)

Medium-sized tree, up to 70 feet tall, with a wide-spreading, open crown and tall, straight trunk.

2. Bur Oak (*Quercus macrocarpa Michaux*)

Medium to large tree, up to 80 feet tall, with a broad-spreading, rounded crown, a massive trunk, and low, large-spreading branches.

3. Pin Oak (*Quercus palustris Muenchh*) **(OUT OF STOCK)**

Large tree, up to 100 feet tall, with a tall, straight trunk and a pyramid-shaped crown.

4. Post White Oak (*Quercus stella Wangenh*)

Small to medium-sized tree, up to 70-80 feet tall, with broad, rounded crown and stout branches that are sometimes contorted.

5. Shingle Oak (*Quercus imbricaria Michaux*)

Medium-sized tree, up to 80 feet tall, with a straight trunk and an open, broadly rounded crown.

6. Shumard Oak (*Quercus shumardii Buckley*)

Medium to large-sized tree, up to 100 feet tall, with a tall, straight trunk, stout branches, and a large, open crown.

7. Swamp White Oak (*Quercus bicolor Willd*)

Medium-sized tree, up to 80 feet tall, with an open, irregularly rounded crown, ascending upper branches, and somewhat pendulous lower branches.

8. White Oak (*Quercus alba L.*)

Large tree, up to 120 feet tall, with a long, straight trunk and a broad, rounded crown.

9. White Oak Hybrid (*Quercus alba*, with some red oak characteristics)

Large tree, up to 100 feet tall with a massive, straight trunk and a broad, rounded crown.

10. Willow Oak (*Quercus phellos L.*)

Medium to large-sized tree, up to 80 feet tall, with a dense, pyramid-shaped crown, becoming more rounded with age, a straight clear trunk, and willow-like leaves.
