 Rotary Club of Del Mar

"Create Lasting Impact," urges members to build sustainable, generational solutions. Moving beyond one-year projects, the focus is on legacy, community transformation, and personal growth

Sustainable Service: Shifting from temporary activities to enduring solutions, such as long-term water, health, and education initiatives.

Welcoming Clubs: Fostering inclusive, vibrant, and engaging club environments that attract and retain new members.

Personal Transformation: Challenging Rotarians to internalize the Rotary vision by fostering personal growth alongside global impact.
