“At the end of life we will not be judged by how many diplomas we have received,
how much money we have made, how many great things we have done.
We will be judged by "I was hungry, and you gave me something to eat,
I was naked and you clothed me. I was homeless, and you took me in.”
— Mother Teresa

Hampton Rotarian 50 Years of Service –

Congratulations to Herb Ferguson for his 50 years of service to Rotary. Herb has done all kinds of things in Rotary. He has attended multiple Rotary International conventions, hosted many students from different foreign countries whom he still keeps in contact with and they still come to the United States to visit. We have been privileged to meet some of them at Hampton Rotary at our weekly meetings – and they have gone home richer than they came as they have won our weekly drawing on more than one occasion! Herb has taught all of us about his many life adventures. His many photography adventures while working for the University of Pittsburgh have allowed him to enlighten the Hampton Rotarians on many subjects. We learned about the Heinz Chapel and all of his “flight” photography around the city of Pittsburgh. When we attended a Rotary event at Herb’s house we learned about his travels around the world

while enjoying all of his treasured souvenirs. Herb has encouraged all of us to be better servants and to realize how important it is to contribute to the Rotary Foundation. Herb – we all thank you for everything you have done for the Hampton Rotary as well as all Rotarians.

JANUARY MEETINGS –
