## Meet the Rotarian –

### Andrew Coburn

Andrew Coburn provided the group with an enlightening look into his personal life. Andrew was born in the "Old Line State" aka Maryland and moved to Pittsburgh when his mother did her residency for medical school at Allegheny General Hospital, Andrew also had a girlfriend who lived here at that time, however that didn't work out. He knows Lou D'Angelo and Hal English because they were customers of the Citizens Bank branch where Andrew was a bank teller. Andrew is passionate about his running and when he started running he ran with his grandfather who actually beat him that first day.
