MATA Program Scholarships

The Rotary Club of Leesburg was chartered in 1927, and is the oldest national civic group in Loudoun County. “Service Above Self”, the Rotary motto, guides all of our members through their daily life. We are part of an organization with over a million members worldwide, and an additional 750,000 members in high schools and colleges through Interact and Rotaract Clubs.

Our Club provides support to a variety of charitable endeavors in our community and in the world, including maternal and child health, relieving hunger, and eliminating polio from the face of the earth. We are especially committed to youth and education.
