## Generations X and Y - The Changing Faces of Our Customers

Posted by Pauline Hechler on May 21, 2012

*Each generation has its own qualities, unique habits, and general personality. Generations X and Y are no different. While we must be careful not to make quick judgments about large group of people, it is critical that we better understand this increasingly large portion of our customer base. Brian Kish, Senior Vice President for Central Development at the University of Arizona Foundation, will do a quick review of who makes up this group of people and, more importantly, will teach us about their philosophical needs, habits, and preferences.*

## Mystery Editor May 16

Posted by Ed Mystery on May 21, 2012

President JONI CONDIT opened today's meeting with the announcement that after a long illness, ARLA STADER'S husband, Orin passed away on Tuesday. We observed a moment of silence for Orin and will keep Arla in our good thoughts and prayers.

**CLEM LESLIE** asked us to join his invocation by reciting the Rotary 4-Way Test. For those who don't remember it we were allowed to peek. **MAGGIE KOSINSKI** led the meeting in the Pledge and a rousing version of "American the Beautiful." **GARY GETHMANN**, in his summer attire, accompanied us on the piano.

BRUCE TUNZE introduced today's guests. Birthdays were celebrated by JO DECHATELET, GERRY HALLOWELL, PAT LENNAN and BOB WEBB.

CHARLOTTE HARRIS presented MARSHA HIRSH with a Paul Harris Fellow as husband SID HIRSH looked on proudly. **Charlotte also announced that Honorary Member, FAYE MORSE has offered one-for one matching points for Rotarians who make contributions to the Rotary International Foundation's Annual Programs Fund. See Charlotte for details.**

Sergeant at Arms, MATT BLAIR did not fine HUGH THOMPSON for a recent article about the Rotary Foundation's Group Study Exchange trip that Hugh led. TOM ANDREWS (wearing a new shirt) announced that they will only have 20 slots for the

Grand Canyon hike. A “tune up” hike will take place on May 20<sup>th</sup> at the Catalina’s, “Wilderness of Rock Trail.” KEITH COBB announced that advanced Rotary Car Show ticket sales have reached 7% of the total goal and he needs volunteers this weekend at the Drag Strip on Houghton Road.

**DOT KRET, the Club’s resident “Rapper” introduced our speaker, Dr. Debra Hannah from the Critical Path Institute. Debra reminded us that Tuberculosis is still a health crisis with one-third of people in the world suffering from the disease.**

President Joni closed the meeting with this, “Let us toast today to Rotary’s efforts, some 64 years after the UN Declaration of Human Rights, to reinforce this through its many programs to hopefully eradicate polio, build better homes, provide clean water for all, and to strive towards peace by furthering the education of young citizens of the world.”

## How Well Do You Know Your Fellow Rotarian?

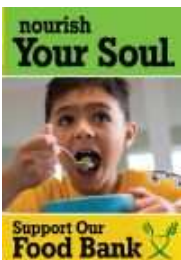

Posted by Joni Condit on May 21, 2012

**Did you know that we have a certified Sommelier from the Court of Master Sommeliers in our club? No, it isn’t one of our “restaurant owners”. She can also open a bottle of champagne with a sabre! Yes, I said “she”! She is the Chair of our Wine Appreciation Fellowship Committee and she can definitely tell you what you’re drinking! She was the Captain of the Car Show Team “Full Throttle” with the most ticket sales in last year’s Car Show (thanks to Jim Sumwalt). She is also a hiker par excellence having hiked the Shenandoah section of the Appalachian Trail, the Camino De Santiago in Spain, and the Annapurna Circuit in Nepal! (See her in the photo on the left).....I expect to hear oohs and ahhs from the Rowdy Table! Yes, you guessed it, this is our member, Angela Baurley! (She says she “only” hiked the circuit (at 15,000 ft.) because she wants to keep all of her fingers and toes!**

**Angela was sponsored to join our club in 2008 by member, Ellen Wheeler. Angela met Ellen while serving as the President of the Board of Directors of the Habitat for Humanity board for three years. (Ellen is now the President of that board of directors and Angela is Past President). Habitat locally is one of the largest in the country and Angela served as a regular board member for five years, as the affiliate’s Treasurer, Audit Committee Chairwoman, and Finance Committee member. Angela is active in committee service and through Pima Community College’s Continuing Education Program, she has hosted investment consultations that provide financial resources and advice to widowed women, divorcees, and business owners.**

Angela was born and raised in southern Indiana (Columbus) and grew up in a “farm country” surrounded by animals... horses, dogs, cats, and cows. She loves animals and has several dogs named Peanut, Fozzi, and Ben. **She is an honors graduate of Indiana where she earned two Bachelor of Arts Degrees, one in History and the other in Telecommunications.** After that she moved to Tucson to attend graduate school at the Eller College earning a MBA when she developed an interest in financial markets and began to work for Dean Witter (which later became Morgan Stanley). **Angela took a leap and started her own company, Affinity Financial Group, in 2002 because she wanted to better serve her clients with OBJECT INVESTMENT ADVICE AND WEALTH MANAGEMENT.** She now co-owns the firm.

She is a registered securities principal (series 24 licensee) and holds five additional securities industry licenses which enable her to recommend and manage investments/wealth (marketable securities), provide investment advice, and supervise other investment advisors. In 2010, Angela was recognized by **Inside Tucson Business** as a **Southern Arizona Up and Comer.** The award honors Southern Arizona's rising stars that, early in their career, are making significant contributions to the community. Before she joined our club, she received Tucson Business Edge's “**Top 40 under 40**” award that recognizes the up and coming business and community leaders under the age of 40.

Angela has also served as an **adjunct professor at Pima College** teaching Finance 111 but really loves the outdoors and, in her spare time (hard to believe that she has any!), can be found in the mountains, on the water, or in the air....rain, snow or shine! **So, sit by Angela sometime, and I guarantee you'll learn something about finance, wine, or the outdoors!**

#### District 5500 Installation of 2012-2013 Officers & Leaders

Posted by Joni Condit on May 21, 2012

Our Rotary District 5500 has invited any Rotarian interested in attending the installation of District Governor Randy Brooks and other District Officer and leaders to the Installation Luncheon that is scheduled for Sunday, June 24, 2012 at the Omni Tucson National. Registration begins at 11 a.m., 11:30 social time, and luncheon and ceremonies beginning at noon to 1:30 p.m.

Cost is \$50 per person or \$400 for a table of 8. Reservations and payments are needed by June 18. It is business casual and they plan a no host bar. Please send reservation requests and payment to:

Marana Rotary Club, c/o John Dooling at P.O. Box 91502, Tucson, Arizona 85752

#### The President's Corner

Posted by Joni Condit on May 21, 2012

May is the eleventh month in our Rotary year and so your Board and many of our committees are beginning to wrap up their projects and goals for the year. This month is filled with so many holidays and events including Mothers' Day, graduations, the start of summer weddings, and Memorial Day to name a few, so it is challenging to squeeze in more.

The District Area presidents and assistant District Governors meet monthly at El Parador restaurant at a wickedly early 6:45 a.m. meeting. Once I'm there and awake (somewhat questionable until the second cup of coffee!), it is a good networking meeting and an opportunity to find out what other Rotary clubs are doing. It is also a great way to hear about other club's good speakers.

Some of the interesting things that other clubs are doing:

The Saguaro Club recently helped to host a "Grad Night" at Sunnyside High School, which is an event that is planned all year for the graduating seniors only and keeps them busy doing fun things, but "locked in" at the Auditorium instead of cruising around town! The Sunset Club cleaned a stretch along the Rillito River. The Kino Club gave out their Character Award Presentations to

students exceling at Sunnyside schools. They are also busy planning their fundraiser Fifth Annual Gold Tournament in Green Valley, on July 28th, at San Ignacio Golf Club that will benefit Sunnyside and TUSD students.

**Very interestingly, the Pantano Club revealed its "Stealth" project this morning, a Rotary calendar that is planned to come out sometime in 2013. The calendar will come with a lottery ticket and they plan 60 drawings during the year with a total of \$10,000 in prizes to be given out.** Other clubs can have their special events printed in the calendar and also have the opportunity to purchase a \$200 ad so we could advertise our car for the 2013 Car Show!

Sally Montagne, District Governor 3 years from now, shared some things from the Bangkok International meeting. **Exciting news is that India has now been polio-free for 16 months! A country/area is declared polio-free officially after three years. Rotary is now focused on Nigeria and is working with researchers and health officials to develop a new polio vaccine that will take effect better in countries where diarrhea is a prevalent problem and multiple doses have been required to take effect.** I am sure that Jim will have a lot to share with all of us at his first meeting on July 11th!
