Pima Community College: Challenges and Opportunities

Posted by Cheryl House on Mar 20, 2014

Lee D. Lambert has been Chancellor of Pima Community College since July 2013. Chancellor Lambert will discuss the activities PCC is undertaking as it works with area educators, businesses and community leaders to foster student success and economic development.

Biography - Lee D. Lambert, J.D.

Before coming to PCC, Chancellor Lambert was President of Shoreline Community College in Shoreline, Wash., outside Seattle, serving from June 2006-June 2013. He also served as Interim President, and was Vice President for Human Resources and Legal Affairs at Shoreline from January 2005-June 2006.

He also has served as Vice President for Human Resources and Legal Affairs at Centralia College in Centralia, Wash., and as Special Assistant to the President for Civil Rights and Legal Affairs at The Evergreen State College in Olympia, Wash.

Chancellor Lambert is a board member of the American Association of Community Colleges (AACC) and participated in AACC's Vocational Education Leadership Training Program. He is board chair of the National Coalition of Certification Centers and is a founding member of the Manufacturing Institute Education Council.

Chancellor Lambert received a Juris Doctor degree from the Seattle University School of Law and a bachelor's degree in Liberal Arts from The Evergreen State College in Olympia, Wash.

He often is asked to speak at national and international conferences. He recently spoke at the International Conference on Community Colleges and at AACC's 20th Annual Workforce Development Institute, where he presented on "The Keys to Collaboration: K-12 and Workforce Relationships."

A frequent visitor to Asia, Chancellor Lambert has been asked by the governments of China and India to speak to educators in those countries about the critical role community

Erin Go Bragh! For the non-Irish among us, that means Ireland Forever! And walking into a sea of green jackets on Wednesday, it certainly felt like we were transported to Dublin. The festivities continued with Rotary's own leprechauns, with ELLIE O'PATTERSON on piano, leading us in a rendition of "When Irish Eyes Are Smiling," and corned beef & cabbage was enjoyed by most.

The lovely and talented DOT KRET welcomed guests and then took the mic over again for a special rap to celebrate her birthday. Happy 30th Anniversary to her firm, DK Advocates! Other birthday celebrants were TED FORSBERG and JOE PENNINGTON, who promised he will be skiing on his 70th birthday next year.

SCOTT VAUGHN and HUGH THOMPSON were honored for their annual commitments to the Paul Harris Society, and Eagle Scout JOHN LEWIS will be honored by the Boy Scouts Catalina Council with their Construction Lending for Life award. Yes, that really was BOB SHAFF on TV during the Pac-12 tournament. Requests for volunteers were as plentiful as green beer on St. Patrick's Day: MARCIA KRUMWIEDE-TIMS pitched for volunteers at the

upcoming Community Food Bank project, and STACIA DECKER put out the call for ticket-sellers at the 4th Avenue Street Fair.

Past District Governor 5510 Gary Whiting shared an update on the good work of Gift of Life-AZ and introduced us to some of the amazing doctors who donate their time and talent to save lives of children with congenital heart defects. Since 1985, Gift of Life-AZ has operated on 302 children in 24 countries worldwide. Our own President DAVE GALLAHER and First Lady Susan hosted the 300th patient in their home last October, and Prez O'GALLAHER topped off the pot o' gold with a gift of \$1000 from his club discretionary fund. SLAINTE!

We had a very moving and inspirational program from PDG Gary Whiting from Phoenix about the Rotary Gift of Life Program. If you missed it, you missed learning about a great program that brings heart surgery to young people around the world. As many of you remember, Susan and I hosted the family of Katia, who was 14 years old and needed a hole in her heart repaired so she could have a full and normal life. Her surgery was successful at UMC and she is now playing basketball again, her favorite sport. We had never heard of this program and we were so taken back by the acts of kindness and love for this young girl by Rotarians and Doctors that it was an obvious choice for me to have Gary come and participate as a club program. It is a remarkable program and I hope you might consider a contribution no matter how small. The Doctors were amazing and they are so enthusiastic and

committed to being a part of this life changing program.

This is the beginning of a busy season for events around town and thanks to Mike Schulte for donating two tickets to the Boys and Girls Club EVENT slated for Sunday April 13 at La Encantada. We raised \$200 for the Club Foundation.

We have a work project for the YMCA camp on the back side of Mt. Lemmon scheduled for May 10. This will be about a six hour day of painting and eating a nice picnic BBQ prepared by the staff. If you have not visited this camp, this is a great opportunity to see this wonderful facility and learn more about the Send A Kid To Camp program that raises money for underprivileged children to spend a week of fun filled camp. We will most probably be performing simple repairs and a lot of painting. Please join us. It has been many years since we were last there performing a work project. It should be a blast.

Please remember to attend the District Conference even if it is just for the RCOT Hospitality Suite at the Hilton East on Friday April 25, 5-7PM. Good food and libation and fellowship will prevail. We can use some help staffing the suite. The programs on both Friday beginning at lunch and Saturday promise to be informative and fun.

See you Wednesday for another great program.

HELP WANTED!!

Posted by Dorinna York on Mar 14, 2014

The Club is in need of some volunteers for two committees:

1) The Tucsoarian

Publish a weekly article and photos in the Tucsoarian on stories of interest, member spotlights, committee updates, Rotary International or annual activities of the Club. Recruit members to write articles so that there are two to three articles in the pipeline to be published.

2) Lunch Table Centerpieces

Collect table centerpieces each week. Repair/update centerpieces as needed.

If you are interested in assisting with either or both of the above, please inquire with the Rotary office.
